4 RECORDS MADE IN JUNIOR MEET

New Marks Set in Two Hurdle Events and in the Mile Walk and Quarter-Mile Run at Newark.

100-YARD DASH DONE IN :10

NEWARK, N. J., Sept. 8.—If the performances shown by the contestants in the National Amateur Athletic Union junior track and field championships held at Weequahic Park here today are taken as a basis of what the seniors may do tomorrow, new records should result in at least three or four events.

Today a severe thunderstorm, accompanied by a gale of wind and drenching showers, partly destroyed what promised at the start of the games to be an exceptionally fast meet. The competitors braved the storm, however, with plenty of vim and stamina and the result was that four new junior records were established and one equaled.

Upholds Reputation.

Several men from the far West cleverly upheld their reputations. W. S. Hommel of Portland, Ore., won the 440-yard hurdle event in 55⅘ seconds, clipping 4⅘ seconds from the junior record. He was closely pressed at the finish by C. A. Hoenish of San Francisco, who ran unattached. Earl Thomson of Los Angeles, who is to remain in the East as a student at Dartmouth, proved to be a big winner, capturing his two events, the 100-yard dash and the 220-yard hurdle. Frank Ryan, University of Chicago, second.

A. E. Ward, the Chicago A. A. Fred, won the 100-yard dash in 10 seconds, clipping 1⅘ seconds and thus equaling the record by taking the final in 10 flat. Williams of Spokane finished third in this event, and Foley of Boston was fourth.

Ward, Thomson and Hommel hurdles F. L. Loomis, Chicago A. A., made a new record of 23⅘ seconds. W. F. Howard, Pittsburgh A. A., finished second, and Ward, who is another new track luminary, was of Dartmouth and the N. Y. A. A. Roche of Chicago and Cline of New York, the fourth and fifth to go, was the one-mile walk, won by Ward in 6:59 flat, clipping 1⅘ seconds off New York, who finished in 6:58⅘, the former record being 7:00⅘.

Track is Heavy.

A. D. Coby, Boston A. A., accounted for the one-mile run, and is the distance race at five miles H. E. Weeks, Irish-American A. A., Boston, outran the other starters, only four of whom finished. Larry Scudder of the University of Pennsylvania and N. Y. A. C., the metropolitan champion, won the half-mile race in 1:58⅘. This was the last event on the program, and the time was very fair considering the heavy condition of the track.

No records were made in any of the field events, but one of the most notable performances of the day was made by Ralph Rose, Jr., Omaha, Neb., Rose, who is wearing the colors of Princeton University, won with 14 feet, 4⅘ inches.

Rose, who is a representative track man, he hadore in points by getting 12 Chicago A. A. was second with 12 points, Pittsburgh A. A. New York was third with 10 and the Irish-American A. A. of Boston and the Los Angeles A. A. had 11 each and Los Angeles A. C. 10.

DePalma Replaces Merz.

DePalma arrived in the city yesterday morning, but he came without a car. His Mercedes was in no condition to race nor was Materna's Peugeot. Ralph was anxious to get a chance at the money and he accepted the offer of the Speedway Racing Team Company to drive the Peugeot which Merz had driven in practice. Merz's car is the twin of Aitken's Peugeot and is exceptionally fast. A battle of giants should result when the two Peugeot drivers are together in the three events.

Both men are acknowledged leaders in the great field of speedway drivers. DePalma has a reputation for daring and he has won many hearts on the Indianapolis Speedway in previous Speedway events. He holds the honor of having led the field in the 500-mile race for one entire circuit without being in the lead.

Aitken a Favorite.

Aitken is a favorite with Speedway fans all over the country. He is a hard worker, besides being gifted with superdriving sense. His recent performance in Cincinnati when he outdrove the Darius Resta and beat him fairly and squarely before the Spaghetti Italian ran into trouble, should make him a favorite with the crowd. The Scotch-Canadian will watch him close all others, as he is a local boy and has been connected with the Speedway since its opening.

The sixteen entrants will battle for $12,000 in other money in the three events. In the race for the Speedway trophy, 225 miles, fifty-nine laps, $1,000 will be the twenty-first prize. In the 100-mile race, the competition in the championship 100-mile race and points to the $3,500 prize as well as the $1,000 in other money, the twenty-first award will be given to those who finish.

WABASH GOLFER TOPS FIELD IN OPEN STATE

Cyril Walker Shoots 73 and 71 for 144 Total—Local Players Have Hard Time With Short Approach Shots.

[Special to The Indianapolis Star.]

MUNCIE, Ind., Sept. 8.—With a low score of 144, Cyril Walker, professional, of Wabash, Ind., was in the lead of a field of fifteen starters in the second annual open state golf championship at the end of the first thirty-six holes over the course of the Delaware Country Club. Chick Frazier of Newcastle was second with 152, eight strokes behind Walker, while Wallie Nelson of Muncie was third with 157.

Walker played a sensational game on his second morning round, when, with a 34 following a 39, he registered a 73, but in the afternoon, with a 38 and 34, he had the eighteen-one stroke over par. Frazier tied Walker in the morning, but Frazier fell down on his fair green work Walker got two 38 in his first afternoon round.

John Simpson, amateur of Terre Haute, stands on fourth with a lead of one stroke. The Indianapolis players are finding trouble with their short approaches to the pin, practically coming up short every time. The total scores of the end of the first thirty-six holes follow:

Indians Pass Up Chance to Climb

around the spirit of the visitors and Smith, first up, delivered the fatal error of the day off Dawson. It was a Texas league to cons. Smith's error let in the tying run. Dawson boomed to the plate next and Derrick kicked in with an error, filling the bases. Dawson, a Northern Pacific leaguer, who donned a St. Paul uniform for the first time in the game, then drove a long fly to Duncan, placing a triple in center. The fly put Siggert and Smith home and Dressen on the plate. Dressen was thrown out by Schang on a sacrifice to Zwilling.

Dawson, who was the hero of the game, was a deep one, and Duncan made second on the throw home. Dawson then went to bat again in the tenth and scored an earned one—and the fourth marker beyond the stolen chicken.

Wickland's Great Catch.

Clemons sideswiped Derrick with a hot bagle to left. Siggert edged in with a safety and Smith followed with a hot shot down the left field foul line. Clemons scored and Siggert pulled up at third, while Smith made second on the throw home. Dressen sent a sizzler up the Zwilling left field foul line. Wickland, who is a catch of Dawson's hotel on the right field foul line, made a great catch of the ball, and Smith, who had left the field to bring in title in hal. Siggert, who had started home, thinking Wickland muffed the ball, was caught in the rundown.

The Tribesmen got busy in their half of the sixth, and moved within one run of the Saints. Zwilling walked and advanced on a single by Faye. Brooke then hit a long fly to Duncan, which Zwilling tagged and scored. While the visiting infielders were pursuing Dutch Brooke, Zwilling made second. It was an easy out to Siggert, who shifted to second, and Zwilling made third. Derrick sent a long fly to Duncan, which scored Zwilling for the tying run. With the inning fun setting for the Tribesmen, Dawson fanned.

The two youths will pitch opposition at Washington Park today. Perry Castilion and Cliff Markle will pitch for the Saints.

WEEGHMAN ORDERS A CUB FORM REVERSAL

Team Will Not Play City Series Unless It Wins Majority of Remaining Games on the Schedule, He Wires Tinker.

[Special to The Indianapolis Star.]

PITTSBURGH, Pa., Sept. 8.—This was a sad day for the athletes wearing Chicago Cub uniforms. The cause was a telegram to Manager Tinker from President Weeghman. It read:

"Unless team wins majority of remaining games, there will no city series in Chicago this fall. Even Modesty White Sox fail to win the American League pennant."

The cause for this outburst from headquarters was brought about when some enterprising fruit supporter told Mr. Weeghman that his birelings were performing in listless fashion. It was said this last Eastern trip would be nothing more than a jay ride.

That the about winning the majority of the games is what caused the bigger commotion for after they leave these parts the Cubs will visit the Giants, the Phillies, Philadelphia, New York and Brooklyn in the order named.
