Madison Nags To Hit Harness Trail Some Time This Week

By BERNARD E. MEYERS

Harry T. Shaw, veteran horse trainer, will leave the latter part of the week for Boscobel with a stable of Madison horses which are expected to get in the money with the best of them during the 1918 season. The short ship circuit of Southern Wisconsin will open its racing season at Boscobel, August 7. J. E. Lambert is Speed Sup't.

Among the horses, which Shaw will take with him are Belle Strathmore, Lady Strathmore, Dr. McKinney, Question Mark, and Little Miss Reaper. John Hanson will leave about the same time with Billy Meyers and Red Band.

Billy Meyers To Start

Billy Meyers, George Gallagher's horse, will enter the 2:30 pace and is expected to take first place. The prize money is $300. Red Band, Peltier and Richardson's mare will start in the 2:17 trot, August 8. There is no race at Boscobel for her class, which is the :22.

Belle Strathmore, the spirited little mate belonging to Shaw and Hilton, will be sent to the wire in the 2:15 pace, August 9. The prize money is $300. Belle stepped a mile heat in 2:10 last week, and Shaw considers her chances in the coming season to be considerably above the ordinary. Dr. McKinney, Fred Rieder's horse, is in shape to run with the best. He will be entered in the 2:25 trot for which the prize money is $300. Question Mark, who belongs to Mrs. E. R. Elliot, Madison, and who was sired by Dan Patch, will enter the 2:30 trot.

Lady Strathmore and Little Miss Reaper, Frank Eckstein's pretty mares, are not quite in condition and will not be worked hard till later in the season. The former may be started in the 2:30 at Boscobel.

Following the races at Boscobel, the circuit will be continued at Galena, Ill., August 13—16, Mineral Point, August 21—23; Darlington, August 27—30; Platteville, Sept. 3—6; Lancaster, Sept. 12—14; and Bloomington, Sept. 19—20. American Trotting association rules govern all contests; the old placing system will be used, with five to enter and four to start. The entrance fee will be 5 per cent with 5 per cent additional for the winners' stall rent free.

Race at Janesville

Janesville's races will begin the week after next, August 14—16. Onward Sam, Charley Elver's horse, is entered in the 2:10 pace, the prize money for which is $1,000. This race comes on August 14. Black Thornway, D. D. Baskerville's pacer, will race the following day in the 2:25 pace on the half-mile track, for $600. The Expression, another of Elver's horses, is to start in the 2:24 trot, mile track, for $500, on the last day of the fair. Dr. Guy C. Waufle is Speed Sup't.

From Janesville, the horses will ship to Monroe for the races there, August 20—24. Dane County fair will come next, August 27—30, followed by races at Watertown, Sept. 3—6. Entries in all events close practically a week before the races.

Other Madison Horses

Other Madison horses are expected to get started after a few weeks. King Woodland, who belongs to Frank Foy, is almost certain to get in the races before the season is over. He paced one heat last week in 2:17¼. His record is 2:14¼. Frank Diebold is rounding Donna Thompson into shape. North Star, Direct Waltress, and St. Alora will likely be heard from before the season is over. Some of these horses are expected to go to Janesville.

CHICAGO —Ralph De Palma was the principal performer in the program of sprint automobile events held Sunday afternoon on the Chicago speedway, winning three of the four races which were decided before a heavy rain stopped the meet and established two new world's records in competition.

He drove to victory in the ten mile race in 5:24 4-5, lowering the former mark, 5:33.01, held by Dario Resta, and averaged 109.24 miles per hour. In the twenty mile dash De Palma easily won in 10:50 2-5. The old mark was set by De Palma at 10:53.8. His average for the distance on Sunday was 110.51 miles per hour. De Palma also annexed the thirty mile race, his time being 16:54 4-5, an average of 106.51 miles per hour.

Dario Resta won the two mile event in 1:18. Louis Chevrolet was second, De Palma third. Arthur Duray was forced to retire at the start of this race, a broken axle putting his car out of commission.

Three laps had been completed in the fifty mile race, which was announced as the final event of the day, and which was started in a drizzling rain, when the officials ordered the contestants from the course.

DEMPSEY VICTOR IN FULTON BOUT

Kuocks Husky Minnesota Opponent Out in 23 Seconds After Fight Has Begun

HARRISON PARK, NEWARK, N. J.—Jack Dempsey, who claims California as his residential state, won a quick victory over Fred Fulton, the Rochester, Minn., heavyweight in 23 seconds at the Harrison baseball park here Saturday night.

The moment the bell called the men, Dempsey rushed at Fulton and landed a swing under the heart, hooking his left to the stomach. Fulton's long arms swung helplessly over Dempsey's head. The latter stepped back about a foot and hooked his left to the Rochester giant's head and swung his right to point of Fulton's jaw.

The big man tottered and fell sideways to the floor of the ring. He tried ineffectually to raise his head and body with his right arm as a lever, but as the count progressed his head fell back again almost over the side of the ring floor. There he lay until Eckhardt tolled the ten seconds, after which Fulton's seconds actually dragged their man to his corner.

One of the oddities of baseball is the fact that the St. Louis Browns, always a mediocre club, causes Walter Johnson, king of hurlers, more trouble than any other team in the American league.

CAMEL'S COLTS LEAD LEAGUE

Company L of State Guards Admitted to Business Men's Organization

Camel's Colts, with a percentage of 1.000 are leading the business men's baseball league started at Brittingham park a short while ago. They have won three games from the Mononas, the Senators, and the Marquettes.

Company L, of the state guards has received permission to enter a nine in the league. Their first game will perhaps come on Friday. Camel's Colts will tackle the Senators again, Wednesday night. Marquette will play the Colts on Marquette field, the following night.

The games are held nearly every night from 7 to 9 o'clock. An indoor baseball is used, but regulation baseball rules govern the games.

Manitou Favors Selection Of Ki-Wa-Ni And Ro-Ta-Ry

After consulting the great Manitou, the god of the red men, the two warlike tribes of Madison, the Ki-wa-ni and the Ro-ta-ry have agreed to meet in deadly combat on the avenue of Mo-no-na next Thursday night, August 1, at 7:30. The braves of both tribes have begun active preparations for the battle.

"Doc" Huegel, who has been chosen to lead the Ki-wa-ni forces, conferred with his lieutenants, Manager Charley O'Neill, Bill Kubasta, Bill Burhop and Mike Cleary, the big chief of the tribe, in the latter's wigwam Saturday. After considerable pow-wow-ing, a gallant band of fighting braves were selected to uphold the honor of the tribe. Those chosen were:

Ki-wa-ni Selects

Catcher—William Burhop.
Pitcher—Matt Dudgeon.
First base—Oswald Nesvig.
Second base—Porter Bennett.
Short stop—Doc Huegel (capt'n).
Third base—R. W. Risley.
Center field—Chas. O'Neill.
Right field—F. M. Kilgore.
Left field—Temperance Hovey.
Substitutes—F. O. Leiser, Dad Miller, Jess Forbes, Fuss Lamb, Chief Haswell, Mickey Cleary, Noisey Clarke, Bob O'Malley and Ross Harris.

In the wigwam of the Ro-ta-ry chief, "Rube" Neckerman, there assembled the war council, John St. John, Louis Hirsig and "Rube." War Paint and fighting costumes were planned to terrify the enemy. Manager St. John has issued the following statement relative to the fitness of his braves for the coming death grapple Thursday night.

Ro-ta-ry Selects

"Catcher—Harry Teckemeyer. The reason why Harry is selected is due to his fly catching ability in the Teckemeyer Candy company factory. We understand that Harry catches about every fly that dares enter the plant."

"Pitchers—Dr. David P. Wheeler, Dr. C. A. Deadman and Leo Lunenschloss. These men constitute the twirling staff and are selected as each of them makes his living with his right arm."

"Infield—First base, John St. John; second base, James Brahany; third base, F. S. Brandenburg; short stop, E. J. McEachron."

"We tried to select a 'utility' infield as we did not believe it would be necessary to use the regulars. The infield would have been a 'utility' in every respect if any of the Montgomerys belonged to the Rotary club but since they have been grabbed up by the Ki-wa-ni, it is necessary to have a substitute for them, and we believe little Mac is so small that they will not be able to tell whether he is a Montgomery or a regular."

"Left field—R. J. Neckerman. Rube is selected to perform in left field as he has been chasing around town for business for some time and should be physically fit."

"Center field—Louis Hirsig, between the State and Rinckney street stores and for this reason thinks he would make a good fielder."

"Right field—A. B. Helstrom. Andy says he is a good player and for that reason have to put him on the team but as we doubt his word, we assigned him to play right field."

Bat boys—Banty Warner and Runt Welton.

Water boys—Jim Law.

Arbitration squad—Martin Dunn, Charlie Reynolds, Charles McGlashen and Charlie Whelan.

Substitutes—The rest of the Rotary tribe.

It is reported that "Doc" Deadman is instructing the Ro-ta-ry in the use of gas masks in his Main street barn. The red men fear this new and deadly weapon. Louis Anderson has agreed to take upon himself the dangerous task of announcing the battle. A young and active man like Hank Ireland will probably be chosen for umpire. A brass band will be on hand to cheer the fighters and give them encouragement.

Mr. Wad got a line on some good knock-about stuff for his movie company!
