Columbia College authorities are carry-
ing it a little too far when they refuse to
aid a parent in trying to induce his son to
give up football, asserting that the faculty
has no control over a student's actions in
athletes so long as his scholarship is
maintained. "What control has this fac-
ulty over this same student's morals?"

AUTO RACE MEETING.

Long Postponed Event is Held at
State Fair Grounds.

"That all things come to those who
wait" was proved to-day when the 100-
mile auto race was begun at 11 o'clock
this morning at the State Fair grounds
track. The Indianapolis Auto Racing As-
sociation has been trying since October
21 to hold the meet, but weather condi-
tions have always been against the event.
At the crack of the starter's pistol,
Charles Merz and W. F. Clemens, driving
Nationals; Fred Tone, in a Marlon; Har-
ry Stutz, in an American; Edward Ash,
in a Marmon; Frank Moore, in a Stod-
dard-Dayton; Ben Briscoe, in a Maxwell;
Minor Farley, in a Pope-Toledo, and Jo-
seph W. Moore, in a Premier, began the
long grind of 100 miles.

Six additional regular and two special
events formed the afternoon program,
which began at 2:30 o'clock. The track
was in the best condition that it has been
for several weeks, and the drivers took
advantage of the conditions by rolling off
several fast practice miles.

AMATEUR GOLF TOURNEY.

Second Round is Finished at Highland
Links.

The second round of the open amateur
golf championship tourney was finished
this afternoon at the Highland Golf Club.
E. L. Lennox and Thomas House were
paired and the match was Highland Club
vs. Riverside, the two being among the
best at their respective links. E. M. Ogil
and the Rev. Neil McPherson were the
only other two scheduled to play. The
weather conditions were the best any of
the contestants have encountered since
the tournament began.
