## BOWLING WAR IS ENDED

### A. B. C. CONTRACT IS SIGNED

Article Provides That All Outside Bowlers Will Not Be Detained at Louisville More Than Three Days.

The National Bowling Tournament affairs were settled by the executives last week, the Louisville Bowling Tournament Association finally signing the amended form of contract they insisted upon, which still safeguards the bowlers' prize money the way the Chicagoans demanded. Secretary Sam Karpf was in Chicago yesterday consulting with the members of the Executive Committee of the American Bowling Congress anent the signing of the contract with the Louisville men for the national tournament. The contract was forwarded to Louisville early in the week, where it has been signed by President "Bob" Brown and his conferees and is already in the mails on its way to the various members of the National Executive Committee for their signatures.

With the acceptance of the contract the Louisville men also accept a new form of entrance blank, which will absolutely prevent any deviations of the rules of the A. B. C., as has been the case in all former tournaments. The contract binds the Louisville promoters also to scheduling all outside bowlers so that they will only be detained in Louisville three days at the outside should they desire to get away within that time.

## ERASES DUFFEY'S RECORD

### ACTION OF AMATEUR UNION

Removal of Great Sprinter's 100-Yard Mark for Amateurs Leaves Best Performance One-Fifth Second Slower.

[By Associated Press.]

NEW YORK, Nov. 19.—It was announced today that the Amateur Athletic Union's Record Committee, at a special meeting, Saturday, authorized James M. Sullivan, secretary of the union and publisher of the record book, to eliminate every mark of distinction and companionship performance with which Arthur F. Duffey has been credited, these having been made up on the assumption that he was an amateur, as evidenced by his signing of entry forms, etc.

This determination by the committee displaces the following records: Forty yards, 4 3-5 seconds, made Feb. 13, 1899; March 4, 1899, and Feb. 10, 1901, in Boston. Fifty yards, 5 2-5 seconds, made Feb. 21, 1904, in Washington, D. C. Sixty yards, 6 2-5 seconds, made Nov. 30, 1899, and June 7, 1902, in New York.

## WABASH IS NOW "ALL IN"

### INDIANA GAME HARD ON TEAM

Several Players Will Be Out of the Game for Remainder of the Season, Including Harp, Williams and Probably Miller.

[By Star Special Service.]

CRAWFORDSVILLE, Ind., Nov. 19.—Bruised and limping, heartsick and sore, the Wabash College football team certainly presents a pitiful appearance today and, as far as the regular team is concerned, it is a thing of the past for the remainder of this season. Harp, Williams and probably Miller are out of the game for this year, the injuries received at Bloomington Saturday being severe and lasting.

Any one who saw Cayou's men come on the field Saturday, limping and covered with heavy bandages to shield their injuries, could only pity the men and glory in the desperate fight they put up during the first half of the game, for Wabash was never in the contest after that part of the play. Sutherland, suffering with an abscess on his hand, remained in the game throughout.

When Williams and Harp were carried off the field soon, followed by Gipe and Miller, it was only a question of how large a score the "Stone Crushers" would pile up. Wabash was clearly outclassed, but the fighting spirit was never lacking and there is just as many warm spots in the hearts of their admirers here today as

## INDIANA HAS MADE THE BEST SHOWING

Purdue Will Be Declared the State Champions, but Rivals Will Receive the Honors.

### I. U. PREPARING FOR OHIO

Bloomington Lads Expects to End Season in Blaze of Glory by Again Defeating Buckeyes.

[By Star Special Service.]

BLOOMINGTON, Ind., Nov. 19.—Comparative scores Indiana will have a better of Purdue on the season's work and though, technically speaking, the Boiler Makers will retain the honor of being referred to as the State's champion. It is believed that the majority of critics will consider Indiana the greatest team of the State this year.

Chicago won from Indiana by a score of 16 to 5 and from Purdue by a score of 10 to 0. Purdue defeated Wabash 12 to 0 while Indiana rolled up a total of 40 to 0 against the Presbyterians. Indiana's score against Wabash was greater than the total scores of Illinois, Northwestern, Purdue and Chicago against the Wabash boys. Indiana, also, defeated Northwestern 22 to 5, and while it is probable that Purdue will equal, if not exceed, the count, Indiana still feels that she has the better of the argument in the matter of comparative scores.

The Bloomington team came out of the Wabash game in fairly good shape physically. Davidson was the only man injured, his hurt consisting of a badly upper lip, a number of stitches being required to sew up the wound. The team will rest today and no hard work will be done before Wednesday. There is one game remaining on the schedule that with Ohio State on Thanksgiving day at Columbus, O. Indiana has never been beaten by Ohio in an athletic contest and the men do not intend that this great record shall be broken this year. Coach Sheldon will work his pupils hard for this game as though the State championship depended on it. Twelve days in which thoroughly to recuperate and with McCarthy back at end position, Indiana hopes to play its best game of the year against the Ohio team and wind up her best football season in a blaze of glory.

The unexpected size of the score of Wabash is still a matter of much rejoicing. On all hands are heard words of praise of the game fight put up by Wabash in the hour of her bitter defeat and the loyalty of her "rooters." The fight of the scarlet team was such that whatever bitterness that may have been felt before the game gave way to admiration and if the football players in their way Wabash would be retained Indiana's schedule.
