

WEST HIGH FALLS BEFORE DES MOINES

Old Rose and Black Players Put Up Game Fight Before Falling Before West Des Moines' Eleven, 14 to 0.

"Stub" Steward's highly touted eleven invaded Waterloo yesterday, and added another scalp to their list, but they found a real foe in West High, who withstood the fierce attacks of their heavier opponents time and time again, and managed to defeat only the hardest kind of a fight. A long end run and a short forward pass proved to be the undoing for West High, giving West Des Moines the victory by a score of 14 to 0.

The old reliable "Pick" Thomas and Hets were the ground gainers for Whittle's crew, but their combined effort failed to produce a tally, altho in the second quarter the Old Rose and Black men had the oval resting on Des Moines' twenty yard line, but the necessary punch was lacking and the opportunity never presented itself again. On the defense, Matthews, Holder, C. Miller and "Boob" Miller shone, while the whole forward wall put up a magnificent stand in the fourth quarter, when they held Steward's men three times on their three yard line.

The Devine brothers, Captain Beck, left end, and Lair, were the bright lights on West Des Moines' offensive, while Chelsea, Tillmont and Organ solved West Waterloo's formations and proved to be the hole makers for the visitors. For the most part the capital city squad played straight football and at all times worked together, gaining considerable more ground than the vanquished, but they lost many yards because of penalties.

West High has some satisfaction at least, in that they held West Des Moines to the lowest score of any team this season. There was but little fumbling on either side and not one kick was made on the decisions of Referee O'Brien. The visitors can return home triumphant, not only with the bacon, but with the knowledge that their goal has yet to be crossed this season.

Visitors Score Early.
Des Moines kicked to Thomas who returned thirteen yards. On three attempts West High advanced but five yards and punted. Des Moines made a first down on two tries. A Devine and Lair added seventeen yards but West High held on the next two plays. Beck made seven yards and then Whittle's men held again and the ball went to them on downs. Hets attempted two forward passes and lost five yards on a down. He then punted to A. Devine who carried the oval forty yards over the final three yard mark on the return for the first touchdown. He kicked goal.

Des Moines again kicked to West High, who started a strong offensive at this point. Thomas made three yards, Hets two yards, six more for "Pick," Hets lost two, but the little fullback went thru again for four yards. West Des Moines received a ten yard penalty, but on the next play intercepted a forward pass. Whittle's men held for two plays and the visitors advanced another penalty of fifteen yards. A pass netted six yards. On the next play Holder broke thru and threw A. Devine for an eight yard loss, which ended the quarter.

Second Quarter.
Des Moines immediately punted when play was resumed, the ball going out on West High's thirty yard line. A forward pass, thirty yards to Matthews, netted West High twenty yards. Thomas and Hets made another first down. A forward pass, Hets to Thomas, garnered seven yards. It was all Thomas and Hets at this time. With twenty yards to go, the Old Rose and Black men lost their gaining power and the ball went to Des Moines. The Devine brothers made eight yards and a forward pass in Organ gave them twenty yards more. McMurray and Chelsea gained eight yards and Waterloo punts penalized five yards for off side. Lair and G. Devine made five more yards but West High held and the ball went to them on downs. Whittle's men failed to gain and the first half ended with Des Moines in possession of the ball. Score, West Des Moines 7, West High 0.

The Second Half.
Waterloo kicked to Des Moines at the opening of the second half. They failed to gain and punted. The ball went back to West High's goal for a touchback. It was West High's ball on their twenty yard line. Hets punted to Des Moines. They were penalized fifteen yards for holding. Both teams exchanged several punts. West High attempted a forward pass, which was intercepted by G. Devine who returned the ball twenty yards. Lair gained four yards. A forward pass failed and the ball went to West High, on their twenty yard line. Thomas made five yards and Des Moines received two penalties of five yards each for off side play. Thomas and Hets added five more yards and then Hets punted. The visitors made seven yards in three trials and then punted to Hets who fumbled. West Des Moines recovering the ball on Waterloo's fourteen yard line. The third quarter ended.

Captain Beck Scores.
The fourth period opened with Des Moines having four yards to go. Chelsea went four yards and McMurray made five. A Devine gained one yard, giving Steward's men a first down on West High's three yard line. Whittle's players took a wonderful brace and held for three downs, but on the next play, a short forward pass to Captain Beck scored the visitors' second touchdown. Devine kicked goal.

Des Moines kicked to West High again but they failed to advance and punted. Steward began to make a substitute and the game ended with West High in possession of the ball.

EAST HIGH LOSES AT MARSHALLTOWN

Orange and Black Men Say They Were Victims of Hard Luck at Marshalltown--Were Beaten 39 to 6.

The East High players who returned from Marshalltown last night brot with them hard luck stories regarding their 39 to 6 defeat at that city yesterday. They said Marshalltown players made three of their touchdowns when they blocked punts, which rolled behind East High's line. The absence of left end Koch was greatly noticed, the visitors running around that side of the line with ease.

Marshalltown scored early in the first quarter, but Waterloo came right back and tied the score. Devine Seger going over for the touchdown. O'Conner called three fine passes, one for thirty yards, and Seger was on the successful end of several short passes. Marshalltown could not make much headway thru East's line. Captain Swanson and the Sage brothers played a strong defense. It rained very hard during the second quarter. East High was forced to punt a great deal because Seger was the only man who could gain consistently thru the line. Simpson and Duke pulled off a few good gains.

The East High men are not discouraged because of the difference in the scores of the West High-Marshalltown game and yesterday's contest, for they are certain that the Marshall county team has played West considerably since they improved West. All of the men said that they received fine treatment at the hands of the Marshalltown students and the officials.

NEW POINT SYSTEM FOR WOMEN AT COE

Cedar Rapids, Oct. 28.—A point system of rewards in Women's Athletics was adopted by the women of Coe College, at a mass meeting of all the women, held last Thursday. The new system places a higher value on the college "C" and is worked out in honor points.

The winner of either the tennis or the swimming tournament or the winner of the indoor meet get 100 points each; the runner up of the tennis tournament, the second honor at the indoor meet, and second place at the water carnival, each bring 75 points.

The contestant who makes a Freshmen or Sophomore team in either English field hockey, basketball or base-ball, is entitled to 25 points each, with extra points to be added for excellence in their particular sport.

For every 100 points a candidate makes, she is awarded an arm band symbolic of the sport in which she won the points; if the 100 points are miscellaneous, i. e., in several sports, then a plain arm-band is awarded.

The College "C" is given to the contestant who has won 300 points and for 500 points, the value of two "C's" the Association is offering a College sweater. The honors are to be awarded from the chapel platform at the close of the respective seasons. The new system will go into effect at once.

AITKEN WINS THE GOLD TROPHY RACE

With an Average of 105.86 Miles an Hour With Galvin, Wilcox, Devore, Benedict and Hughes in Order Named.

New York, Oct. 28.—Johnny Aitken of Indianapolis added to his laurels as a speedy automobile driver by winning today the Gold trophy race of 100 miles on the Sheepshead bay track.

His time for the distance was 56 minutes, 37.65 seconds, establishing a new American record, only seven seconds behind the world's best time. Aitken's average speed was 105.86 miles an hour.

Frank Galvin finished second in 56 minutes, 45.31 seconds, and Howard Wilcox third in 57 minutes, 10.53 seconds. Aitken made one stop to change a tire, delaying him about thirty seconds.

Aitken led at ten and twenty miles. Dario Resta then took the lead, holding it to the 58th mile. Resta then went to the pit and changed a wheel tire in twenty seconds but when he reached the back stretch on his sixtieth mile he was forced to retire by a broken crankshaft.

Galvin drove a careful race all the way and was leading at 30 miles, but from the nineteenth mile to the finish Aitken outpaced him.

Wilcox went to the pit in his 46th mile to renew a tire. He had been in third place for the first forty miles, and regained the position at seventy miles and retained it to the end.

Henderson was fourth, Devore fifth, Benedict sixth and Hughes seventh.

The cash prizes for the first six drivers were \$4,000, \$2,500, \$1,500, \$1,000, \$600 and \$400.

In addition several lap prizes amounting to \$3,000 were awarded to the leaders from the tenth to the 30th miles.

Eleven cars started in a fifty mile consolation race for a prize of \$1,000. This was won by Jules Devigne of the French driver. Aitken was second and Meyer third. Winners' time 28 minutes 49.59 seconds.

DEPAUW LOSES CAPTAIN.
Greencastle, Ind., Oct. 28.—De Pauw University is mourning the loss of Captain Woodruff, of the football team, especially in view of the approaching game with Washburn, Ind., Nov. 11. Woodruff will be unable to play again this season, it is said, because of an injury to his knee. DePauw is without a captain for the second time this year. Injuries to other of DePauw's players has kept many of them on the bench this season.

SOME FRESHMAN.
Bloomington, Ind., Oct. 28.—Among the freshmen at Indiana University who center the school with athletic records is Benton I. Springer, of Robinson, Ill., whose brothers have won places in the athletic events of the University of Chicago and Washington and Jefferson University. Springer, who is 19 years old, weighs 180 pounds, and is six feet one inch in height played football as half back on a high school team for four years, and he also made a name as a high school basketball player. His batting average in baseball was .447.

HIS MOTHER HIS TRAINER.
Topeka, Kan., Oct. 28.—There is one football player in Kansas, at least, whose mother is his trainer. He is Ralph Hoop, halfback on the Washburn College team here. "If all mothers were as enthusiastic about seeing their boys play football," said Coach Kennedy, "we'd have some different players. Hoop's mother goes he eats the right food, sleeps the right hours, and is brimful of the right kind of enthusiasm."

VICTIM NO. 525

SPORT NOTES

Honus Wagner is unique in baseball in several ways besides being the only man who has batted for 3,000 in seventeen successive years. Never being a hold-out he has worked for but one man in the twenty years that he has been in the big leagues. He went to work for Barney Dreyfus in Louisville in 1897 and he is still drawing his pay from the same man 1916. When Honus switched from Louisville to Pittsburgh and vice versa. No other active player has worked for one man anywhere near the same number of years.

Prices for future world's series will no more be exorbitant. President Ban B. Johnson of the American league has announced. He says, "The world's series must again be made the real supporters of the game and not a silk stocking event."

The sensation of the recent National Amateur Golf tournament at Merion, Pa., was R. T. Jones, of Atlanta, Ga. When young Jones was only 14 years old he won the state championship of Georgia. In the national tournament he almost reached the finals.

The wedding of "Dick" Bunnell, former advance agent in the orient for the New York and Chicago baseball teams, to Miss Elsie Nagel, a Japanese, has been reported. The ceremony was performed in a church there, and the couple are now on route to New York.

Eddie Plank, veteran pitcher of the Philadelphia Americans, and now a member of the St. Louis Americans, has asked Manager Jones to be transferred to some eastern team. Plank's reason for wanting to be sent East is believed to be because of his desire to be in closer touch with his business interests in Gettysburg, Pa.

A four-city basket ball league league to play for the championship of the Western division of the Amateur Athletic Union is being planned. The entries will be St. Louis, Kansas City, Louisville, and probably Omaha.

President Britton of the St. Louis Nationals is in favor of the plan recently advocated by President Tenor of the National league to increase the roster of the clubs from 21 to possibly 25 players. Four National league club owners favor this plan, according to views presented to Mr. Britton.

HARVARD 23, CORNELL 0.
[Associated Press Telegram.]
Cambridge, Mass., Oct. 28.—The Harvard football team shattered the championship aspirations of the Cornell eleven here this afternoon when it routed the big red combination from Ithaca, 23 to 0.

The Crimson eleven outplayed and outgeneraled the team from the shores of Lake Cayuga and the Ithacans completed their downfall by an exhibition of erratic football that stunned their adherents, who laid many wagers at odds of 5 to 4 that Cornell would duplicate the victory of a year ago. Harvard supporters

tonight are hailing Coach Percy Haughton as the "miracle man" of yore.

The Cornell players fumbled and tackled like novices and there was no cohesion or drive in their attack. Harvard was quick to take advantage of these failings and looked like a veteran combination as the contest approached its end. The victor's initial score came in the first period after some minutes of play in Cornell's end of the field. From close to his own goal, Shiverick punted to his 40 yard line, where on the first

line-up, Casey, who promises to develop into another Eddie Mahan, reached Cornell's 20 yard line in two clever dodging runs. Robinson dropped an easy field goal.

FORMER STAR IN POLITICS.
Detroit, Oct. 28.—Willie Heston, the famous Michigan half back, who is a candidate for police justice in Detroit broke up his campaign program recently to assist Coach Yost in drilling the University of Michigan football eleven.
