Burton is Tennis Champion

YOUNGEST WINNER IN THE CITY FINALS

Defeats Dr. Miles F. Porter, Jr., for Ten Years Fort Wayne's Title Holder.

PLAY TIGHT THROUGHOUT

Mulholland-Burton Pair Wins Doubles in the Bailhe-O'Rourke Team.

Clinton Burton, a product of Fort Wayne's public courts, is the city's new tennis champion. He won the title yesterday afternoon at the Country club, defeating Dr. Miles F. Porter, Jr., for ten years the title holder. It was a clean-cut victory for the winner who outplayed his clever and experienced opponent the greater part of the way. The doctor took the first set, 6-4, but Burton grabbed the next three, 6-2, 6-2 and 7-5.

The honors in the city doubles were won by Mulcock Mulholland and the same Burton who defeated George Bailhe and Will O'Rourke in straight sets. The scores were 6-2, 6-3 and 6-4. It was a big afternoon for the younger generation of Fort Wayne's tennis players and came as a fitting climax to the most successful tournament ever staged in this city. All of which is counted as considerable of a boost for Fort Wayne's newly organized tennis association which conducted the meet.

True to predictions the Burton-Porter match proved a live one and was replete with interest. Although defeated Dr. Porter gave a mighty fine account of himself and was always up on his toes, compelling his opponent to travel at full speed throughout. Burton was equal to the task, however, his championship winning was the result. It was a battle between two players of equal ability, and it was crowded up front of it whenever the opportunity presented itself. Burton won because at critical stages he beat his opponent to the net and from that position made shot after shot across the court or along the side line just out of the former champion's reach.

First Set to Porter. It looked like another championship for the doctor when he got away to a flying start and won the first set, 6-4, without a whole lot of trouble. During this stage Burton showed a tendency to be wild and Porter took advantage of practically every slip on the part of the younger player. The new title-holder found himself at the start of the second set and marched through that one and the third set in fine style. Porter won but four games in the two series, Burton showing the best tennis during these stages that he has ever played. He invariably was the first up to the net and his placement of the ball was accurate that there was no such a thing as beating him.

Before relinquishing his hold on the honors which had been his for so long Porter made a valiant try to come back in the fourth series and for a time it looked as if his gameness and display of his old courage would get results and at least force his youthful opponent to go the limit five sets. He took a good-sized lead by winning the first three games of the set through excellent play from the net position. Burton took the fourth game, but the ex-champ triumphed in the next and was leading, 4-1. That disadvantage failed to stop Burton, however, and he returned with a bang, squaring the set at four-all by winning the next three games.

Then came the final tussle for the set which eventually decided the honors. Burton gave his game a big boost when he won the next with Porter serving. He needed one more game to end it right there but was halted by a short spell of illness and E. Brown, who was helped Porter to that game, making it a duce set. Burton again took his opponent's service game and made that advantage count this time, winning the next and final game of match.

When Burton shot across the deciding point he was over the net in a flash and the two players were soon in a long embrace. Dr. Porter was the first to congratulate his conqueror and it was a sincere felicitation which he tendered the winner. He has always been a strong booster for tennis among the city's junior players and as such as he wanted to win it is a good bet that Burton's success delighted him as much as any other.

The new champion of the city is capable in big things and his game will continue to improve until some day he may be able to carry off a Northern-Indiana or state championship for Fort Wayne.

Team-Play Counts. In the doubles it was a case of two good players who have perfected excellent team-play triumphing over two other clever tennismen who had worked together on only a few occasions and who naturally lacked that system which is essential to success.

The Burton-Mulholland team came across with a brand of tennis which was just about without a flaw as compared with the best doubles usually played by the best Fort Wayne pairs. They stepped out in front early and were seldom in danger thereafter, usually working on Porter's deliverable lead. Bailhe and O'Rourke delivered several spurs which made their game blocked before they had gone very far. The play was a lot more hotly contested than the game scores might indicate, numerous exchanges taking place before most of the points were decided.

CHAMPION WELSH IS DECLARED VICTOR

Crowd Is Displeased at Referee's Verdict and Riot Is Narrowly Averted.

FANS STRONG FOR WHITE

Bout Slow with Welsh Hanging on; Many Are Injured When Stands Collapse.

COLORADO SPRINGS, Colo., Sept. 4.—Freddie Welsh retained his title of champion lightweight pugilist of the world to-day after going the full scheduled twenty rounds with challenger Charlie White of Chicago. Referee Billy Roche of New York awarded Welsh the decision on points.

As the gong sounded at the close of the 20th round, Roche stood for several moments as if undecided. He then reached out both hands toward the boxers and many of the spectators believed he was about to award a draw. Suddenly Welsh rushed over to Roche, and placed his glove in the referee's hand and it was raised aloft, while the official appeared to be reaching for White. The next instant, jubilant friends of the champion swarmed into the ring. An unfortunate accident and unpleasant incident marred the beginning and end of the fight program. Shortly before 2 o'clock a portion of the bleachers on the south side of the arena collapsed. More than a hundred persons were more or less seriously injured.

Referee's Decision Unpopular. When Referee Roche announced his decision in favor of Welsh, the challenger's adherents appeared for the moment spellbound. Then began a fusillade of hundreds of cushions which were hurled from all directions at the referee. He was rushed through the crowd and a waiting automobile. Guarded by a policeman, the vehicle was speeled up the road to a hotel, while hundreds of men and boys rushed after it until distracted. From a spectacular standpoint the battle was considered one of the poorest that has ever been fought for the highest ring honors in the lightweight division. For fully two-thirds of the time the fighters were locked in a succession of clinches—and pushing each other back and forth about the ring. For this many spectators thought Welsh was largely to blame. Throughout the contest of twenty rounds, scarcely a blow was struck by either man that did any damage. Of the blows exchanged, White's carried the greatest power. White Welsh frequently was on the aggressive and did his share of the leading, it was noticeable that many of his blows fell short and failed to reach their mark.

Welsh Is Cautious. Roche state after the fight that he awarded Welsh the decision for the reason that he did most of the leading. With consummate generalship, Welsh, throughout practically all the fighting, worked with his back to the sun, forcing white to face the hot glare. Neither man drew blood from his opponent and neither showed any of the evidences of having been in a championship battle. Welsh fought carefully and took no chances with his opponent's left hand. On several occasions when it appeared likely that it might land, the champion was backing away so that the force of the blows were spent when they reached him.

Fight by Rounds. The fight by rounds follows: Round 1—Welsh led twice with left to head and they went into a clinch. A series of clinches followed without any blows being struck. White landed left to head. White sent right to head and left to body and Welsh clinched. The men did a lot of clinching, the crowd calling for them to break away. White sent left hook to stomach. Round even.

Round 2—Welsh led with left to head and White blocked and ran into another long clinch. Welsh kept another long clinch. White kept another long clinch. White sent two rights and lefts to head and body. White did the most effective work.

Round 3—They ran into a clinch. Wrestled about the ring. White sent right and left hooks to body and repeated as Welsh missed left to head. Few clear blows were struck, Roche kept busy prying the men apart. Round 4—Again the men ran right into a clinch. White missed left hook to head. White sent right and left hooks to body and had Welsh against the ropes. Welsh missed left to head. White countered with right to Welsh's ear. All the fighting has been in White's corner. White's round.

Round 5—They fought for an opening and clinched. White blocked several short-arm blows to body. Welsh kept pounding the kidneys in the clinches and White's back is all red as a result. The champion is keeping close to the ropes with his back to the sun. White landed left to body. Even round.

Round 6—Roche tried to keep the men from clinching. White rushed Welsh to ropes and landed right and lefts to body. He repeated. White sent left hook to ear. Welsh blocked straight left to head. They were in a clinch at the bell. White's round.

ing White back. The fighting has been practically even this far, what lead White had, being only a shade. White roughed Welsh to head and body and the champion clinched. White's round.

Welsh Gets His. Round 13—White sent right and left upper cut to body in the clinch. White rocked Welsh with stiff upper cut to chin. Welsh has been missing and running into a clinch. White rocked Welsh with right and left jabs to head but the champion covered cleverly. White's round.

Round 14—White assumed the aggressive and landed right and left to body and head. Welsh saved himself by clinching. A right to the jaw forced Welsh to corner. White drove left to stomach. White landed right on cheek. White's round.

Round 15—White landed two rights to body and left to jaw and Welsh saved by clinching. Both men wrestled around the ring, Welsh being the greater offender. Even round.

Round 16—Welsh landed twice to nose with straight left and repeated to head. Welsh sent three left hooks to mouth in quick succession. It was Welsh's first round of the fight.

Round 17—Neither man has hurt the other and neither shows any marks of the contest. Welsh landed left to jaw. White drove right and left to body, but Welsh blocked as he backed away. Even round.

Round 18—The crowd called to the men to fight instead of clinching all the time, neither man getting in a telling blow. White slammed right and left hooks to ears and again Welsh held to save. White's round.

Round 19—White drove a left hook to body. White played fatigued. Welsh to face with short right jabs. The crowd roared its encouragement to White. White drove right and left to body as Welsh's continued holding angered him. White's round.

BOSTON TAKES LEAD IN NATIONAL LEAGUE

NEW YORK, Sept. 4.—Labor day, the last holiday of the baseball season, brought a change in the leadership of the National baseball league race. Brooklyn, the leaders since early in May, lost first place to Boston, and went into a tie with Philadelphia for second place. Less than two points separates the three teams in what is probably the closest race in the National league in a decade.

Philadelphia won two games from Brooklyn to-day, while Boston broke even in two games against New York in Boston. Both Philadelphia and Brooklyn have won 72 games and lost 49.

The percentage of the three teams at the close of play to-day was: Boston 58.64; Brooklyn 59; Philadelphia 59.

The American league race was closer to-day. Detroit, which won two games from Cleveland, went within ten points of Boston in first place. Boston broke even in two games against New York. The standing of the two American league leaders is: Boston 67; Detroit 66.

Miss Minneapolis Victor in Labor Day Boat Races. DETROIT, Sept. 4.—Miss Minneapolis, of the Minneapolis Powerboat association, averaging nearly fifty miles an hour, to-day won the second thirty-mile heat of the city's annual labor day association races here. She crossed the line ahead in each of the six laps and won in 41.46. Miss Detroit, the cup defender, was second, Peter Pan VII of the Columbia Yacht Club, New York, third, and Hawkeye of the Lake George club fourth. The day's sport was marred by two accidents.

Baby Marold of Detroit, after setting up a new world's record of 55.35 miles an hour for five miles in the first lap, caught the fire near the finish of the second time around and was totally destroyed. It was necessary to sink the craft to extinguish the blaze. Her driver, John Mielor, of Detroit, was slightly burned about the hands and thrown out by the force of the explosion. The mechanic jumped overboard after heading the boat away from the shore, escaping unhurt. The engine of the gasoline line caused the fire. The other accident, a collision of three express cruisers, necessitated calling off to sea the express cruiser, the Detroit M II, of Detroit, was caught between the Venetian Maid and the Aeolus, also of Detroit, and her stern split open. No one was injured and the Betty M II was towed ashore.

A holiday crowd of fully 200,000 persons witnessed the races from the shores of the city's St. Elizabeth's park. Miss Minneapolis now has fourteen points on the gold cup. Peter Pan VII and Miss Detroit eleven each and the Hawkeye eight.

300-Mile Auto Race to Aitken; Gilbert Anderson Is Hurt

CINCINNATI, Sept. 4.—Johnny Aitken assumed the Dan Resto of the sixteenth mile and won the first annual 300-mile sweepstakes at the new Sharonville track to-day. Wilbur D'Alene was second while Frank Galvin, far behind, drew down third money.

One accident marred the day's sport. Gilbert Anderson, while in the stretch run on the sixteenth mile, skidded and dived into the fence. His car turned turtle and he was dangerously injured. His mechanic, Bert Shields, suffered a fractured thigh and incurred injuries, and his recovery is doubtful.

Aitken's time for the race was 3 hours, 5 minutes and 27 seconds, an average of 42.40 miles an hour. Ralph de Palma broke a connecting rod on the fourteenth mile and had to retire. Numerous other starters had engine and tire trouble and were forced to retire.

Dario Resta was third up to the 294th mile, when he encountered engine trouble and had to quit the race.

INDIANAPOLIS, Sept. 4.—The feature of the opening card of the state fair here to-day was the 2:03 pace, won by Fay Richmond, owned by Harry B. Rea, of Pittsburgh, and piloted by Guy Rea. Although up against such stars as Russell Boy, 2:00 1/4, the Pennsylvania horse won in straight heats, 2:04 1/4 and 2:01 1/4.

Billy M, a local horse, took the lead in the first heat and was at the quarter-mile post in 20 seconds, followed by Russell Boy and Fay Richmond and the third had a battle royal down the home stretch. In the second heat, Russell Boy was the winner close, Fay Richmond formerly was raced by Harry Jones, of Rutherford.

In the 2:10 trot, the four-year-old filly Dan's card, which arrived at noon from Poughkeepsie, N. Y., won straight heats without much urging. The 2:09 pace was the only split affair of the day, being won by Dan Mack, of the western pace, and Tommy D. had the western first heat. In the three-year-old and under class for trotters eligible for the state fair, Jack of Diamonds, owned by Mooney, won in straight heats and in the 2:25 pace, Parry Jones had no trouble winning with Diamond Q.
