45 Minutes from Broadway

(Plus 24 Days and 8 Hours)

On September 9, 1906, at 6:45 p. m., the BUICK transcontinental two-cylinder model "F" touring car reached San Francisco in its record-breaking trip from New York City, reducing all records by nine days and creating for the first time in the history of automobiles a touring car record between these points.

In Class B. Cars costing from \$1,000 to \$1,750
