

# ADD SPICE GALA AUTO DAY

Contest Creates Much  
Interest for the Throng  
of Visitors.

## TESTS PROVE POPULAR

Drivers Enjoy "Fireworks"  
Through the Kindness of  
Weather Man.

It was a gala day for the auto  
fans as crowned the efforts of the  
and the contests were well pat-  
the weather man was true to  
and turned on the spring sun-  
while visitors from far and  
their numbers to the multi-

on time, on Capitol avenue,  
Michigan and Walnut streets,  
auto devotees appeared in  
ready to participate in the  
the predictions of the contest  
came true, because not until  
late did the entries make their  
and as a result things took  
attitude for a short time be-  
"fireworks" began.

### Gar Apperson Wins.

Changing contest was first  
by F. M. Ayers, chief judge.  
entries were entered and were  
against the west curbing. At  
"go," the drivers dismounted  
and to change the tires. Three  
were in competition; quick  
detachable rims and clincher.  
son of Kokomo, Ind., in a  
"car," won the demountable  
making the change and  
removed tire on the rear of  
forty-three seconds. Charles

## Auto Fan Performs a Quick Tire Feat

T. K. McCUNE.

Record time was made in the first con-  
test for quick detachable tires Tuesday  
afternoon by T. K. McCune of the Finch  
& Freeman Auto Company. The time was  
2:09, and would have been reduced sev-  
eral seconds had not McCune lost a bit  
of time through his failure to take out  
the tube on removing the tire.

noticed the mishap and were giving her  
credit for a quick run when she told the  
judges of the accident. T. K. McCune  
and wife, in an Auburn car, made the  
run all "O. K." in fifty-five seconds.  
George Tanner and Miss Nellie Schup-  
man, in a Marmon car, coursed the  
square in perfect condition in fifty sec-  
onds. Henry Hutchinson and Miss

DAYTONA, Fla., March

enth annual Daytona  
opened today with one b  
cycle and two automobili  
each event a former wo  
annihilated. The course  
condition and weather p

The first event was a q  
bicycle, in which there w  
By a fast sprint Fogl  
flashed across the line a  
followed by Root and  
:30 1-5.

The second event wa  
open to stock cars, un  
There were three entries  
only one in Class E. TH  
was reduced to 100 mile  
Louis Strang, who joined  
about three weeks ago  
race, going the distance  
lowering the world's reco  
man on the New Orleans  
ruary.

The next event was fo  
Dewar \$2,000 trophy, on  
out of three heats. The  
tries—David Bruce Bro  
aire amateur driver, in t  
ing Benz, and Ralph De  
Cyclone.

Brown, on his third  
great car across the li  
flat for the mile, and bre  
amateur record for the  
him, of :35 3-5.

The fourth and last e  
was the one-mile motocy  
in which five of the c  
world competed.

William Wray Jr. of  
fourteen-horse power S  
mile in 45 seconds flat,  
record 1 4-5 seconds. W  
Robert Stubbs also went  
record, making the dista  
46 2-5 seconds, respecti
