AUTO RACE BENEFIT FOR RUSSELL FAMILY

EVENT AT STATE FAIR GROUNDS
NEXT SATURDAY.

MIXED PROGRAM ARRANGED

Sympathizers with the family of the
late Charles J. Russell, the patrolman
who was murdered by Jesse Coe two
weeks ago, met last night at the Fisher
Automobile Company garage and made
arrangements for a benefit program of
speed contests, to be held at the State
Fair grounds next Saturday. The Russell
family was left in straitened circum-
stances, and this is only one of several
means that have been taken to procure
funds for relief.
The program as proposed consists of two
horse races, a trotting and pacing, under
the direction of the Gentlemen's Driving
Club, in addition to a number of automo-
bile races. There will be a three-mile race
for runabouts costing \$1,000 or under, a
novelty three-mile race, in which passen-
gers are set down at the end of the first
mile, taken up again at the end of the
second mile and deposited again at the
end of the third and last mile; a five-mile
race for stock touring cars costing \$2,000
and under; a ten-mile event for stock
cars costing more than \$2,000, and a ten-
mile event for stripped stock cars.
