BRIGHTON BEACH TRACK READY FOR 24-HOUR RACE

COURSE REBUILT FOLLOWING IN-
 DIANAPOLIS ACCIDENT.

EXTRA PRIZE FOR HIGH SPEED

NEW YORK, August 26.—The casualties
 at the motor racing in Indianapolis last
 week caused the officials of the Brighton
 Beach motor track here to rebuild the
 course, with the idea of eliminating any
 such accidents, and it is confidently pre-
 dicted now that all records will be
 smashed in the twenty-four-hour race
 which is to start at 10 o'clock Friday
 night. The ten cars—eight American, one
 Italian and one French—which are to
 compete in the event and their drivers
 are as follows:

Renault, Charles Basle and Louis Raf-
 falovitch; Palmer & Singer, Ray Howard
 and Frank Lescault; Acme, Frank Dear-
 born and a driver to be selected; Acme,
 Cyrus Patschke and H. A. Van Tim;
 Lozier, Harry Cobe and William Helma;
 Stearns, Ralph Mulford and Laurent
 Grosso; Houpt, George Robertson and Al
 Pools; Allen Kingson, Hugh Hughes and
 Frank Lawell; Fiat, Ralph DePalma and
 E. H. Parker; Rainier, Louis A. Disbrow
 and Charles H. Lund.

With the idea of stimulating the driv-
 ers to attempt high speed the manage-
 ment of the track has offered extra
 prizes for the greatest mileage made in
 any one hour and for various other ac-
 complishments. George Robertson, who
 won the last twenty-four-hour race, pre-
 dicts that more than 1,200 miles will be
 made by the winner of this event.
