AUTO SUPPLANTS HORSE AT OLD BRIGHTON BEACH

**NOTED SPEED DEMONS IN COM-
PETITION THIS AFTERNOON.**

24-HOUR RACE ON TONIGHT

NEW YORK, July 30.—The old Brighton Beach race track, which was abandoned more than a year ago, has been reconstructed into a one-mile circuit motordrome over which, beginning this afternoon, the fastest automobiles will be sent off in speed and endurance races which promise to eclipse anything in the speeding line ever attempted before on an inclosed track in this country. The technical committee of the Motor Racing Association has arranged five races, each of which has a generous number of en-

The racing track has been banked sufficiently to admit of the cars going at the highest speed attainable and new records are expected.

The principal event on the program is a twenty-four-hour continuous race, which will be international in character. Eight cars are entered, each one manned by an expert driver and mechanician. This race will start tonight and the result will be known before 10 o'clock tomorrow night.

24-hour race—(Restricted to sixteen en-tries) open to all stock cars (American Automobile Association definition) selling at \$2,500 or over.

The conditions and entries for this event with the names of the drivers are as follows:

- First prize, \$1,000; second prize, \$500; third prize, \$300; fourth prize, \$200; fifth prize, \$100.
