INDIANAPOLIS AERONAUT WILL TRY TO WIN LAHM CUP

G. L. Bumbaugh Expects to Start From Los Angeles in Balloon Next Sunday.

NEW YORK, March 6.—Dr. Alexander Graham Bell, president of the National Experiment Association, has notified Cortlandt Field Bishop, president of the Aero Club of America, to send representatives of the club to Nova Scotia to make official records of aeroplane flights that are to be made there by members of the association during the next ten days.

Official notice has been received at the Aero Club of America that G. L. Bumbaugh, an aeronaut of Indianapolis, will start from Los Angeles on Sunday, if the weather is favorable, with the purpose of winning the Lahm Cup, now held by Capt. Charles De Forest Chandler of the United States Signal Corps. It is his intention to find an easterly current at a high altitude and sail over the Rocky Mountains.

LOS ANGELES, Cal., March 6.—The Aero Club of California has sent a letter to the secretary of war, in which the club volunteers its services to the War Department in conducting experiments with aeroplanes along the coast, with the idea of coast defense work.
