## GREAT BATTLE ON COUNTRY'S HOLIDAY

### "Red" Hart Twirls Gilt-Edged Ball Against Big League Stars --- Record Crowd.

Before the largest crowd that ever attended a baseball game in this city, the Agathons nosed out a bang-up battle from the Cleveland Standard Parts at the Blues athletic field, Thursday afternoon, by the score of 6 to 3. It was such a game as only comes once or twice in the lifetime of the most rabid fan and kept the shivers of suspense running up and down like the mercury in a candy factory.

The Clevelanders were here to even up an old score and expended every effort known to the most blase veteran of the diamond to make good. It was a royal affair worthy of attention of the most exalted.

From the opening ode until the closing hymn the clashing elements raged back and forth and there was no faltering or pausing. Feature plays abounded and both sides unfolded startling stunts. Not since the year they turned all the red birds out of their cages has anything better been observed here.

The locals stepped into the scoring column in the first spasm, when two runs were scored on Mundy's base on ball and hits by Hartle and Seigfried cinched a couple of tallies. In the second, Shortstop Doty, the hero of many a bitter struggle, knocked one of the most sublime home runs that ever graced a national day celebration.

The Standard Parts scored three runs in the second on hits by Kirsch and Young, a little wobbly fielding and a sacrifice fly. Again in the third the visitors paddled into the running stream and connected for two tallies on hits by Murphy, Savage's sacrifice and singles by Breen, Kirsch and Young.

The Agathons evened up matters in the seventh when P. Clancy and Hartle singled and Donelson doubled. It was a thrilling upheaval and excited the fans to rousing exultations. The game was won in the eighth when Mundy singled. Pitcher Liebbardt, the star of many a big league affair was yanked at this juncture and replaced by Uhle. J. Clancy and Hartle could not be stopped by the change, and single to timely fashion scoring Mundy. The Standard Parts extended every effort to bring their end of the score to a successful conclusion in the ninth, but pinch hitters were unavailing.

**NOTES OF THE GAME.**  
Shortstop Doty's home run in the second inning was the longest drive of the season on the local lot.

Standard Parts players endeavored to slip from under by blaming the defeat on the umpire, but that line of feint is taboo nowadays in the more exclusive society.

"Red" Hart, the old reliable, had a little reprieve in the third, but weathered the storm manfully and finished in a blaze of glory. He heaved one of the best games of his career and showed that he can beat the niftiest with apparent ease and comfort.

In the lingo of the betting ring it is a safe wager that "goes as it lays and takes in the lookout," beating Cleveland Standard Parts two games in a season is a feat few clubs will accomplish. Practically every man is a major league star and well known to the baseball world. The Cleveland Tailors appear here Sunday afternoon.

Massillon was deliberately thrown out of the industrial league by the Canton magnates and will not engage in any Saturday contests in that organization. Manager Fairless will officially take up the "canning" by the national commission and present a claim for the pennant. This means that the locals will enter the elimination series for the world's championship. The Knight Tires were also dropped from the league.

Baseball in Massillon is in better standing this year than at any time in the past and the team is deservedly popular with the fans. No expense has been spared by the Central Steel company in corraling a winning outfit and the season will be an epoch making one in the local sport world. With the Saturday games in the industrial league eliminated, plans will be made for the playing of independent games at home and abroad during the remainder of the period.

## SULLIVAN LOSES AKRON BOUT ON TECHNICAL POINT

Billy McCann, of Cleveland, earned a technical decision over Eddie Sullivan, of this city, in the third round of the semi-windup of the boxing card at Akron yesterday. There was a clash at the opening of the third session and Sullivan slipped and fell to the mat and unintentionally remained there while the referee counted ten.

Ted Lewis, of New York and London, still clings tenaciously to his title of welterweight champion of the world.

Thursday before about 2,500 men and women in the new armory. Ted demonstrated his superiority over Johnny Griffith, of Akron, in a twenty-round contest noteworthy more because of the lack of than presence of thrills.

It was a tame struggle, tedious alike for performers and spectators. There was nothing of an unusual nature to mar the monotony.

The only blood drawn dripped from Griffith's mouth, and that was only a slight trickle due to a jolt received in the first round.

There were no blows which bore even the semblance of having knock-out power. There were no knock-downs. There was no time that either participant was in distress. No member of a society for the prevention of cruelty could have entered a valid objection if an order had gone forth to extend the mill to forty rounds.

It was one of those affairs which one runs into every now and then in which both millers apparently are eager to please and to deliver but had fate against them.

Both Lewis and Griffiths seemed to lack the snap and judgment shown in previous bouts. Consequently, as the battle wore on the spectators took every opportunity to express disapproval.

LIEUT. WILLIAM CARROLL RAFFERTY  
William Carroll Rafferty, Jr., only son of General and Mrs. William C. Rafferty, went to France last November and was only nineteen, the youngest cadet officer in the aviation section of the Signal Corps. He has just been made a lieutenant.

Until the half-way mark was reached the milling was fairly even. As the late rounds passed Lewis' superiority became more and more pronounced, though in justice to Griffiths it must be mentioned that at no time did Lewis possess a margin of sufficient size that it could not be erased by a wild flurry with decisive action such as a knock down or something of that sort.

Griff was outpointed, but not out-classed.

The preliminaries furnished as much excitement as the main affair. In the curtain raiser Eddie Lavery, of South Akron, shaded Patsy Johnson, of Buffalo in a battle conspicuous for amusing features introduced by Johnson. The Buffalo lad seemed desirous of introducing all of the novel stunts developed by good and bad boxers.

He varied his methods every minute, puzzling the Akron boy consistently, but not taking advantage of his own methods sufficiently to warrant a verdict in his favor.

### HE WON HIS SPURS

Walter C. Kelly, formerly of Cleveland, but now of Buffalo, refereed the main bout while Eddie Davis, of Cleveland handled the two preliminaries.

The show was not a howling financial success. Instead of the anticipated overcrowding of the place there was a plentitude of vacant chairs, the intense heat evidently causing the populace to hunt cooler sports.

## DE PALMA WINS RACING CLASSIC

Cincinnati, July 5.—Ralph De Palma in a Packard, won the 100-mile Liberty handicap automobile race at the Sharonville speedway here yesterday, by finishing almost a full lap of the two-mile course ahead of Tom Milton, in a Dusenberg. The latter had only a small margin over Ralph Mulford, with a Frontenac, while Barney Coldfield's Golden Sunbeam was half a mile behind but landed in fourth place.

De Palma drove a consistent race and was favored by not having to stop during the entire race. He assumed the lead at the thirty-fifth mile and thereafter was never headed. Denny Hickey after repeated trouble with his engine, came in fifth and Louis Chevrolet, who was a favorite previous to the race, was forced to the pits three times with tire trouble, but finished well up and obtained sixth place. Others who finished were Ira Vail, Fred McCarthy, Andy Burt, A. E. Co. tay and Omar Toft.

Rario Resta was forced out of it on the thirtieth lap while Arthur Duray, Milton McBride and Joe Boyer went

out before the fifty mile mark was reached.

Joe Boyer, in a Frontenac, was an added starter, making the total number to go sixteen. De Palma's time of the race was fifty-seven minutes, two-tenth seconds.

Louis Chevrolet won the ten-mile handicap, taking the first preliminary heat and then winning the final. His best time was five minutes forty-nine seconds. Joe Boyer finished second in the final heat, Ralph Mulford third and Dario Resta fourth.

## DEMPSEY SENDS DEVERE SLEEPER

Joplin, July 5.—Jack Dempsey knocked out Bob Devere here yesterday afternoon in the first round of a scheduled 12-round fight. Devere apparently was not in good condition, while Dempsey was hard and fit.

A short left hook, landed as the men separated from a clinch, put Devere down for the count. The fight lasted less than two minutes. The men are heavyweights.

Dempsey and his manager left last night for Atlanta, Ga., where Dempsey meets "Porky" Flynn Saturday night.
