

ception. The Labor day dates have been taken under advisement.

While in New York, Fisher visited the American headquarters of the Benz and Fiat companies as a prospective purchaser. He expressed his desire to own a foreign car, because of their tremendous speed possibilities. One of the cars under consideration is a \$30,000 Benz that was driven by Hemery, at the Brooklands track, at the rate of 127 miles an hour. Both the Benz and Fiat people will send one of their race models to the Indianapolis motor speedway next month, where speed trials will be made for Mr. Fisher's benefit.

Bulck Team Gets Bonus.

At a banquet given at the Hotel Dresden, Flint, Mich., last week, Louis Chevrolet and Robert Burman, who constitute the Buick racing team, were presented with their respective shares in a \$10,000 award voted to the team by the Buick Motor Company, for winning the Cobb trophy at the Crown Point track, and other trophies in the big automobile racing events of the last season. This is said to be the largest bonus ever given to a racing team by an automobile concern in America or Europe.

NOTRE DAME PESSIMISTIC.

Outlook for Basketball Team Does Not Inspire Confidence.

[Special to The Indianapolis News.]

NOTRE DAME, Ind., January 17.—Last week's athletic activities here brought to light the fact that unless a decided change is made in the performances of the basketball team there will be no championship quintet to uphold the record made by last year's team. Although the men were not in condition when the variety met, the Marion Club, yet it was evident that the team sadly missed the assistance of Vaughn, the giant center. Maris has been devoting much time in trying to develop a man to take care of center, but thus far he has not met with much success. Attley looked like a comer, but he was forced to withdraw on account of his class work. Ultowski was given a trial, but it is clear to every one who has seen him in action that he is not...
