

COBE TROPHY RACE WILL BE REPEATED NEXT YEAR

CHICAGO CLUB APPLIES FOR
DATES IN JUNE.

CONTEST ON HOOSIER ROADS

[By Carburetor.]

Steps toward the promotion of the second annual western stock chassis race for the Cobe trophy were taken yesterday when the board of managers of the Chicago Automobile Club made application to the Manufacturers' Contest Association of the A. A. A. for dates in June. Action was taken at the instance of the A. A. A. officials, who insist that all clubs contemplating contests for next season have their applications in the hands of the association before November 1.

In asking for the June date the Chicago club members plan to conduct the Cobe and Indiana trophy races at about the same season as this year. The request is filed with the option of selecting a later date, possibly in October. No mention is made of the selection of a course, it being generally believed among the club members that the classic will be staged on Hoosier roads, although the Crown Point speedway may go to the discard.

According to the plans announced at Chicago yesterday the Automobile Club officials will probably conduct trials other than the speed events, but dates for these contests will be asked later. An effort will be made to put on a big reliability test.
