**FIRST DAY OF BEACH RACES BEGINS  
WITH ANNIHILATION OF BICYCLE,  
MOTOCYCLE AND AUTO  
STANDINGS.**

DAYTONA, Fla., March 23.—The sev-  
enth annual Daytona automobile races  
opened today with one bicycle, one moto-  
cycle and two automobile events, and in  
each event a former world's record was  
annihilated. The course was in excellent  
condition and weather perfect.

The first event was a quarter-mile dash,  
bicycle, in which there were ten starters.  
By a fast sprint Fogler of Brooklyn  
flashed across the line a winner, closely  
followed by Root and Mitten. Time,  
:30 1-5.

The second event was for 200 miles,  
open to stock cars, under two classes.  
There were three entries for Class D and  
only one in Class E. The race, however,  
was reduced to 100 miles by agreement.  
Louis Strang, who joined the Buick forces  
about three weeks ago, drove a great  
race, going the distance in 1:34:01 1-5,  
lowering the world's record, made by Bur-  
man on the New Orleans track last Feb-  
ruary.

The next event was for the Sir Thomas  
Dewar \$2,000 trophy, one mile, best two  
out of three heats. There were two en-  
tries—David Bruce Brown, the million-  
aire amateur driver, in the record-break-  
ing Benz, and Ralph De Palma, in a Fiat  
Cyclone.

Brown, on his third heat, hurled his  
great car across the line in 33 seconds  
flat for the mile, and breaking the world's  
amateur record for the distance, held by  
him, of :35 3-5.

The fourth and last event of the day  
was the one-mile motorcycle record trials,  
in which five of the champions of the  
world competed.

William Wray Jr. of New York, on a  
fourteen-horse power Simplex, rode the  
mile in 45 seconds flat, lowering his own  
record 1 4-5 seconds. Walter Goerke and  
Robert Stubbs also went under the world's  
record, making the distance in 45 1-5 and  
46 2-5 seconds, respectively.
