CHICAGO, September 24.—A new angle  
developed yesterday in the deal for Man-  
ager Jennings, of the Tigers, by the  
Philadelphia National League club. Presi-  
dent Johnson wrote Chairman Herrmann  
asking by what right the Philadelphia of-  
ficials had started negotiations with Jen-  
nings.

Johnson explained that Jennings was a  
reserved player and consequently base-  
ball law was violated if Philadelphia of-  
ficials negotiated with Jennings direct. De-  
troit drafted Jennings from Baltimore  
before he was made manager of the  
American League champions, and conse-  
quently he is the property of the Detroit  
club.
