

WONDERFUL CURE OF SCALP DISEASE

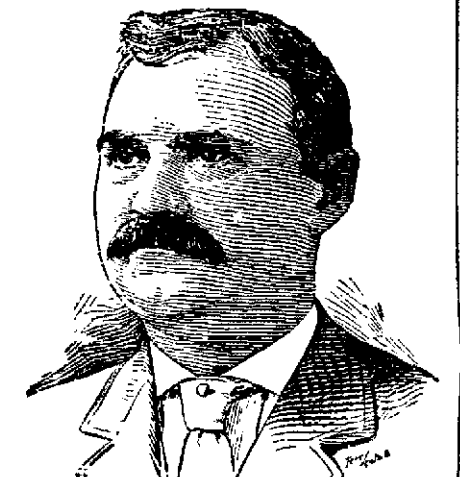

Hair Came Out in Patches, Goodhair Soap Brought Prompt Relief.

"I have had Eczema on my scalp for twenty years. Have doctored with several doctors, but with no permanent good results. The first time I used Goodhair Soap my hair came out in patches as large as a silver half dollar. I was scared and thought I wouldn't have any hair if I continued to use it. I continued to use it for three months, all those bald spots are covered with a good growth. My hair is better than ever. I have no Eczema, and my scalp never itches."

Yours, respectfully, HENRY STEFFE, Felling, Ohio. "I have used Goodhair Soap for the cure of dandruff and itching hair. I think it an excellent article for the purpose intended." W. S. ANDERSON, Druggist, Newark, Ohio. "I have had an eruption of the scalp for the past 15 years. Have tried all the popular remedies, and have found none to give relief, and cure until Goodhair Soap was used. Can say that I consider it the best scalp and skin curative soap on the market." W. S. ANDERSON, Druggist, Newark, Ohio. If your druggist will not supply you with Goodhair Soap, send 25c to Goodhair Remedy Co., New York, O. Sample on request.

Democratic Candidate Councilman Sixth Ward. I favor a clean business administration, looking only to the best interests of the city of Newark, and if I am selected as the party nominee, and I selected Sixth ward councilman, I pledge my best efforts to represent honestly the best interests of the people of the Sixth ward and of the entire city.

SCHOOL OPENING

The attention of all concerned, including officials, teachers, pupils and parents of pupils, of public, parochial and private schools, is called to the following existing orders. All will be expected to obey same.

ORDERS OF BOARD OF HEALTH.

For Protection of Children and Others from Contagious Diseases. It is hereby ordered by the Board of Health of the City of Newark, State of Ohio, that:

Section 1. That no child of a family or household in which there is any sickness, except of a known chronic nature (accidents are not to be considered as sickness) shall attend or be sent, or be permitted to go or admitted to the schools within the City of Newark, Ohio, without the certificate by a physician to the effect that the family is free of contagious disease or a Health Department pass. Tonsillitis and sore throat, so far as schools are concerned, are to be considered as contagious diseases, and excluded as such except as herein provided for.

Section 2. That each school teacher shall, at the beginning of each daily session make inquiry of his or her pupils and ascertain if each is eligible to attend school in accordance with Section 1 of this order.

Section 3. That children in families having mumps, typhoid fever, tuberculosis, or whooping cough may be admitted to schools while in good health upon certification by a physician that child desiring to attend school is free from any contagious disease.

Section 4. Penalty for violation: That whoever violates any provision of this order or regulation of the Board of Health made in pursuance thereof, or obstructs or interferes with the execution of such order, or willfully or illegally omits to obey such order, shall be fined not to exceed one hundred dollars.

ORDER OF REINDEER. State Organizer Earl B. Huffman of the Order of Reindeer reports good progress in organization of a Newark branch of the order. The membership is now running beyond the 200 mark, and deputies in Utica, Johnston and other places in the county are reporting steady increase on their list of applicants.

NEWARK LODGE K. OF P. Newark Lodge No. 13, K. of P. met in regular session last Thursday evening with all officers present. There were two candidates in waiting for the Esquire Rank, which was conferred. All brothers on the sick list are improving rapidly. The K. of P. plate Thursday was a grand success. The ball game between Newark lodge and Roland lodge was very interesting and resulted in favor of our sister lodge.

OLIVE BRANCH LODGE NO. 34, I. O. O. F. met in regular session Tuesday evening, Aug. 26, and considerable business was transacted, three applications for membership were received. The captain of the degree team requests a good attendance at the next meeting, Sept. 2. The degree staff will be reorganized as the initiatory degree will probably be conferred on Sept. 9.

JUNIOR O. U. A. M. Licking Council No. 90 met in regular session last Wednesday evening at O. R. C. hall, with a good turnout in spite of the warm weather. On Wednesday evening, Sept. 3, our meeting will be opened promptly at 7 o'clock for a short session, after which there will be an open meeting and address by a visiting brother, John C. Knuepfer. All members are urged to be present and bring their friends.

A CARD FROM L. A. STARE. To the Voters of Newark: Owing to my recent illness, I have been unable to get around and talk to as many as I would wish, of my candidacy for councilman-at-large. So I take this method of asking your support at the coming primaries and at the election, if I am nominated. I point with pride to my former record as councilman and I pledge myself, if nominated and elected, to use every honest effort as in the past, in furthering the best interests of the city. I favor and will work for a clean, business-like and economical administration.

Y. M. C. A. NOTES. The Y. M. C. A. notes will appear in the local papers each Saturday evening through the fall and winter months.

The corner room has been leased to the Corner Sisters who will carry a line of millinery and ladies furnishings.

The tennis courts were used by 24 young men throughout the summer months. This kind of outdoor recreation appeals to the young men.

The outdoor work among the boys at the Riverside school grounds has been conducted by Physical Director Roberts and his assistant Fred Glenn for several weeks.

Word comes from Edwin Warner that he is now located with the Westinghouse company at Dallas, Texas. Charles Gardner, who spent a month recently at the Y. M. C. A. training school, Lake Geneva, Wisconsin, has accepted a position in Pittsburg.

The Association officers acknowledge receipt of messages from their members as follows: President C. C. Lutz, Switzerland; John Rainsford, Liverpool, England; Dr. C. G. Hazlett, Winona Lake, Ind.; Harry Bentler, Power Lucas; Herschel Stephan, and Don Simpkins, Cleveland, and A. S. Mitchell, Mt. Sterling. The great part of those mentioned that they have visited a fine Y. M. C. A. while on their vacation.

Physical Director Roberts and Fred Glenn left this morning for Summer Lake Beach to attend the Ohio Association Secretaries Get-Together

Theatres

COMING ATTRACTIONS. Monday, Labor Day, matinee and evening, "The Havoc." Tuesday, "Honor of Lady Beaumont"—two reel picture. Wednesday, "A Modern Romance" and Dorothy Fenn, the 8-year-old girl swimmer. Thursday, "The Divorce Question." Friday, "The Snake"—two reel feature picture. Saturday, matinee and evening, "Mutt and Jeff in Panama." Sunday, "Mating," two reel Imp. Tuesday, Sept. 9, "Officer 666."

"OFFICER 666." The coolest crook and the most blasphemous in the whole world will be found in the cast of "Officer 666" Tuesday, Sept. 9. The former called by the name of the house of an about millionaire, and nonchalantly proceeds to rifle the residence of its valuable paintings, while mistaken by the police for the picture thief they are trailing, gets his wrists ornamented with a pair of steel handcuffs and, thus manacled, proposes and is accepted by the divinity upon whom his choice has fallen.

Paul Gilmore's Associate Players in "The Havoc." The offering at the Auditorium Theatre next Monday matinee and night will be H. S. Sheldon's drama, "The Havoc."

Paul Gilmore, in his capacity as manager, never fails to satisfy with a careful and intelligent production. Much has been said of Mr. Sheldon's play, "The Havoc." The story is built around the character of Richard Craig, a brilliant American railroad man. Craig has been wronged by a treacherous friend, a guest in his house. He revenges himself in a cold scheme which finally crushes his enemy once and for all. It is said that Mr. Gilmore's production of the play touches a height of realism which he has never before reached.

The Divorce Question. The National Play Company's stirring production of Wm. Anthony McGuire's much talked of play will be seen at the Auditorium Thursday, Sept. 4. This successful drama was originally produced in Chicago where it ran 107 consecutive performances and was properly styled one of the season's most sensational successes. The author has taken his subject candidly and treats it with dignity. It met with an unanimous stamp of approval from pulpit, press and people. The seat sale opens Tuesday.

Mutt and Jeff in Panama. "Mutt and Jeff in Panama," Gus Hill's latest offering, based on the cartoon pictures of the same title, will be shown at the Auditorium, Monday, Labor Day, at 7:30. The author has taken his subject candidly and treats it with dignity. It met with an unanimous stamp of approval from pulpit, press and people. The seat sale opens Tuesday.

MGR. HAMILTON TAKES CHARGE NEXT MONDAY. The Auditorium theatre opens Monday (Labor Day) thoroughly cleaned and renovated, retiring Manager Johnson having had the theatre scrubbed from pit to dome, carpets cleaned, frescoing touched up, etc. When the new manager, Harry Hamilton, steps into Mr. Johnson's place Monday he will find absolutely nothing to do in the way of cleaning and getting ready except to open the door and take care of his patrons.

This is perhaps the first time in theatrical history that a manager leaving the employ of a firm, turns his theatre over in first class shape ready to open.

Mr. Harry Hamilton, the new manager, is from Canton, and comes to Newark with wide theatrical experience. Mr. Johnson leaves Sunday for Cleveland. His departure is regretted for he has proved himself the most capable manager the city has ever had.
