200-MILE AUTO RACE MARKED BY ACCIDENTS

TWENTY-TWO MACHINES START AT PHILADELPHIA.

ROBERTSON IS WINNER

PHILADELPHIA, October 9.—Robertson won the two-hundred-mile stock chassis race over the fine roads in Fairmount park, which started at noon today, and Dingler was second. The course is eight miles long and the racing cars had to complete the circuit twenty-five times. The event was run under the auspices of the Quaker City Motor Club with the official co-operation of the city of Philadelphia. All the money received from parking places for automobiles, grand stands and other privileges will go to four local charitable institutions.

The prizes are \$5,000 in gold and a \$1,000 cup. Twenty-five hundred dollars and the cup will go to the winner; \$1,250 to the second; \$750 to the third and \$500 to the car finishing fourth.

Louis Chevrolet, the Frenchman, who drove a Buick; George Robertson, in a Simplex; L. M. Lorimer and Bert Dingley, each in a Chalmers-Detroit Bluebird, and Louis Strang, in an Isotta, were the favorites at the start.

Mishaps at the Start.

Drach, in an American, was leading when the first lap was completed; Betz, in a Simplex, second; Robertson, in a Simplex, third. Grant withdrew his Alco because of a broken steering gear. Haupt, in a Thomas; Leinau, in the Acme, and Hardin, in the Apperson, lost tires on the first round, but resumed after repairs. Young's Seldon caught fire. Time for first lap, 8:59.

Mechanician Knocked Unconscious.

Hayes, in an American machine, ran into a pole smashing two wheels. Hayes was not hurt, but his mechanician, Arthur Johnson, was knocked unconscious. He soon recovered. The car, which hit a telegraph pole was badly disabled and was withdrawn.

When the Acme tire came off it shot into the crowd, injuring a boy.
