

good any financial loss for a few meetings until the associations are able to educate the people up to attending the meetings. There are really dozens of men in each club, any one of whom could make good all the losses for two or three

new track on the grounds recently purchased by the club constructed in time for racing this year. The club will branch out a bit this year and will give a week's meeting in July. This will be the week of the 4th, and special attractions will

be had with the team.

Deery, who proved a find on the basketball team, is also attracting much attention in his ability of handling the shot. In addition to Capt. Deming, Kirkman and Sharp in the dashes, Stevens, Kissell and Morris have shown much ability.
