Largest Fireproof and Best Equipped Garage in the Middle West.

Watch for our Records in Gradeclimbing Contests all Next Week.

A regular Stock Overland \$1250 car making Michigan Hill in 39 seconds. There is no hill-climbing contest this year to prove real merits at going uphill, but the Success of

last spring on Michigan hill in Winning Every Prize Offered, leads us to believe we could do equally as well this year. When an automobile owner goes touring he wants power, ginger and vim. Catalogue claims don't help you up the hills or through the mud holes. Half the pleasure in driving an automobile is the satisfaction of knowing you can get there! Ten years experience is back of our selection of cars we offer our patrons We can not afford to sell you a car not the best to be had in its class and price. Our guarantee on the cars we sell is worth something for you to consider before you purchase (not afterwards). We offer you choice of sixty models.

The National, \$2750 to \$5000. The Stoddard-Dayton, \$1500 to \$4000. The Overland \$1250 to \$2250. The Maxwell, \$500 to \$1750. The Baker Electric, \$1600 to \$3500.
