Speed Is Power—Power Is Speed

Reliability is indispe ble with both power and speed if a motor car is to give its owner satisfaction.

The race track proves these points before owners,

buvers and makers. In the races here yester-day the National car in the

100-mile track race won first place time 1 hour 53 min-utes 21 4-5 seconds—which utes 21 4-5 seconds which breaks the world's track competition record for r lar stock cars the kind the customer buys. The Premier \$1,250 Runabout won secon

Catarth is not merely a stubborn or protracted cold/as some people seem to think, but it is a deep-seated and dangerous blood disorder, more generally affecting the body than any other disease. Hardly any part is exempt from the trouble; it statesks the head, throat, stomach, bowels, kidneys, bladder, lungs and other members, and its effects often break down and completely undermine the health.

Like all blood diseases, Catarrh, comes from poisons and impurities accumulating in the blood. The refuse matter of the body, which should be expelled an anture intends, is left in the system because of a sluggish condition of the different parts. Then the blood, as it circulates through the body, collects and absorbs the foul matter, becoming polluted and unit for properly riburiabing the system. When the blood is in this unhealthy condition the contracting of a cold stars he secretions by irritating all the delicate linings and inner insistes of the body. Thus the mintaken ide, link Catarrh is a severe gold an a disease of the stateous membranes which can be cured with sprays, washes, lotions, etc., its formed.
