

We guarantee Stoddard-Dayton cars to be the fastest road cars in the world—and any Stoddard-Dayton car we have sold in 1908 can, in three days' adjustments, go a mile a minute, the same as this little car did yesterday.

STODDARD-DAYTON WINS!

THE

Great \$2000 Match Race at Fair Grounds

A Regular Stock Car

Owned by a private citizen and driven daily by him on our streets, borrowed for the occasion and driven miles in one minute time and again during yesterday's races.

Event No. 1

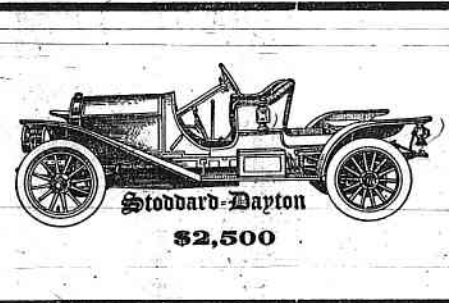

5 Miles--1st heat, Stoddard-Dayton, driven by Charles Merz, 1st; Haynes, driven by L. Wagner, 2d. Time, 5:40 2-5.

All buyers of Stoddard Cars do not want speed, but all buyers of automobiles do want horse power when they need it.

Event No. 3.

3-mile Handicap. Free for all. Dayton driven by Chas. Merz, 15 cap, won over all other entries—tin.

The Stoddard-Dayton wins every event entered, including the Three Mile Handicap, against cars of more than double its power.

We invite those wishing the best in Automobiles to call and see us. Let us show you the good points of Stoddard-Dayton cars.

Event No. 2

Second Heat 5-mile Race--Stoddard-Dayton, driven by Chas. Merz, 1st; Haynes, driven by L. Wagner, 2d. Time, 5:11. This race was for a side bet of \$1,000 between the Haynes and Stoddard-Dayton and was finished in two heats, both being won by the Stoddard-Dayton.

The second mile of the Big Handicap won by the Stoddard-Dayton was made in 59 4-5 seconds.

Event No. 4.

Exhibition 2 miles by Stoddard-Dayton Car driven by Chas. Merz—time 2:01. Best mile 1:00 flat.

The FISHER AUTOMOBILE CO

400 North Capitol Ave.

Indianapolis, Indiana.

All manufacturers and dealers talk power and speed—but the real proof of power or speed is when the judges hold stop-watches and award the trophy to the winner.
