## GLIDDEN TOURISTS ARRIVE IN TOLEDO

Every Car but One Makes Perfect Score, Detroit Club Being Only Entry to Suffer.

## INDIANA AUTOS SHOW WELL

Premier, Official Pilot, Makes First Leg of Journey in About Six Hours.

BY ARK.

TOLEDO, O., July 10.—Forty-eight contestants in the American Automobile Association's annual tour for the Glidden and Hower trophies, the feature event of the automobile year, wound their ways into Toledo late this afternoon after a stormy trip from Cleveland, having completed the first leg of the tour which will take them over 1,500 miles.

Every car but one made a perfect score and the Detroit club was the only one which drew a penalty.

"Thank goodness, we are about through the Ohio roads and will get on the Indiana highways soon," is the way the drivers are expressing themselves tonight. They are unanimous in the opinion that no state in the Union has better roads than Indiana and every one looks forward with considerable pleasure to the trip from Chicago and back to Indianapolis, which will be reached next Tuesday night.

### First Day's Journey Perilous.

Today's journey of 121 miles was about as perilous a one as could happen. The roads are in miserable shape nearly all the way, but very few of the cars took over six hours to make the trip. One of the Welch cars entered by the Detroit Auto Club, in trying to avoid running over a boy, smashed into the side of a bridge and was badly damaged, picking up a penalty. Although the others came through nicely it is the general opinion that there will be very few perfect scores by the time Indianapolis is reached.

The number of contestants is comparatively small, but it is big enough to suit those who are contesting, as the cars have

to travel close together and the dust is very disagreeable. There are broad hints tonight that one of the reasons why more cars are not entered is that politics has entered into the arrangements. This is denied by the officials.

### Start a Spectacular Affair.

The start from Detroit this morning was a spectacular affair. Thousands turned out as early as 5 o'clock to see the get away from the Hollenden Hotel. The cars were lined up around a block and the work of checking them out lasted only a little over an hour. The pilot cars among them, the new six-cylinder Premier, left Detroit shortly after 5 o'clock to spread confetti along the route. This made the task of picking the way an easy one.

There was very little fast running done. Most of the cars set out at a twenty-mile-an-hour gait and kept it up all the way, two or three had troubles, but the delays, considering the bad condition of the roads, were trifling.

### Premier is Successful.

H. O. Smith, president of the Premier Motor Manufacturing Company, started his car at a steady gait and made the trip in a little less than six hours. The

runabout also came in nicely, which gave the Indiana Automobile Club a perfect score. Elwood Haines steered one of the Haines cars along at the same rate and came in excellently.

Accompanying the contestants are about thirty cars of various makes, carrying over a hundred enthusiasts who are taking the trip as a pleasure jaunt. Frank Fanning of the Haines Company is one of those traveling independently. He will pick up his own car at Kokomo and make the remainder of the journey in it.

The absence of Indiana entries is one of the noticeable things about the tour this year. The Apperson Company is well represented, and one of its cars was one of the first to be checked off this morning. Several of the big Hoosier manufacturers that were represented last year did not send contestants this year.

### Test Capacity of Toledo Hotels.

Tomorrow night the party will stop at South Bend, where arrangements have been made to care for the members of the touring party, which numbers over 400 persons. They are testing the capacity of the Toledo hotels tonight, but the town is practically turned over to them.

The route entering the city was lined with citizens, who waved flags and cheered the visitors heartily.

One of the noteworthy things about the tour is the friendliness of the farmers along the route. Without an exception they came out only to cheer, and every car was compelled to answer a greeting from the farm houses that were passed.

## TRAVIS LEADS FIELD

### MAKES EUCLID COURSE IN 71

### Famous Golfer Captures Medal for Low Qualifying Score With 146 at Cleveland.

CLEVELAND, O., July 10.—Thirty-three contestants for the national amateur golf championship today finished their qualifying rounds with scores of 166 or better. Nothing could show the high class of the field that is entered for this year's championship better than these scores, the high figure being four strokes better than that of a year ago at Englewood, N. J., when 169 qualified.

The Euclid course, over which this year's championship is to be decided, is regarded by most experts as being two strokes easier than the New Jersey course, so this shows a good margin in favor of the field that is entered this year.

With weather conditions almost perfect for good golf many low scores were made today. Walter J. Travis, twice winner of the national championship, former holder of the championship of Great Britain, and always regarded as

- H. A. Frazer, Toledo, vs. W. E. Egan, Exmoor.
- D. E. Sawyer, Wheaton, vs. H. C. Egan, Exmoor.
- F. R. Martin, Hamilton, O., vs. J. K. Bole, Euclid.
- Harold Weber, Toledo, vs. K. P. Edwards, Midlothian.
- E. M. Barnes, Englewood, vs. W. T. West, Philadelphia Country Club.
- G. A. Ormiston, Oakmont, vs. J. H. Childs, Allegheny.
- Archie Graham, North Jersey, vs. J. M. Ward, Fox Mills.
- Mason Phelps, Midlothian, vs. W. C. Fownes Jr., Oakmont.
- O. W. Jones, Toledo, vs. Archie Reid, St. Andrews.
- G. S. Lyon, Lambton, vs. H. C. Fownes, Oakmont.
- T. M. Shotman, Attica, vs. W. J. Travis, Garden City.

## DECATUR TAKES TIGHT ONE.

Portland Is Defeated 3 to 2 in Fast and Exciting Game.

DECATUR, Ind., July 10.—The locals defeated the Portland team in a fast and exciting game here today. Portland looked to be a winner in the early stages of the game, but the locals played a nice, clean article of ball, pulling out a victory. Both pitchers, Hay and Hunt, were effective with men on bases. Score:

Portland	.....	0	0	0	0	2	0	0	0	0	—	2	2
Decatur	.....	0	0	0	0	0	2	0	1	—	3	9	2
