HARROUN IN MARMON CAR WINS HONORS IN SOUTH

Captures Principal Events in Two-Day Auto Meet at New Orleans—Oldfield Lowers Record.

NEW ORLEANS, November 22.—Ray Harroun and his Marmon car, of Indianapolis, are looked upon today as the most successful of all contenders in the big two day automobile meet which closed yesterday evening on the fair ground course. After winning a twenty-mile stock car event and a fifty-mile race on Saturday, Harroun came back yesterday and captured the principal event of the meet, the one-hundred-mile race. His time was 1:47:14. Johnny Aitken, in another Indianapolis car, the National, looked to be a sure winner of the one-hundred-mile event, leading Harroun at the end of eighty miles by a mile. Up to this time his car ran without a stop, but ignition trouble caused him to withdraw. Balse, in his Renault, was second.

Barney Oldfield, in his 200-horse power Benz, broke the local track record for one mile when he made the distance in 54 seconds, thus clipping one-fifth of a second off the record made last February by De Palma.

Kirscher, a German driver, brought to this country by W. H. Pickens, and who drives the latter's Darracq, won a ten-mile handicap and a match with Oldfield for five miles by about the width of a tire.

First event; ten-mile handicap; Darracq (Kirschner), scratch, won; National (Aitken), 25 seconds handicap, second; Marmon (Harroun), scratch, third. Time, 10:33.

Second event; effort to lower world's fifty-mile record by Barney Oldfield in Benz car; Tire blew in eighteenth mile and trial declared off. First fifteen miles made in 14:04.

Third event; five miles; southern championship; open to amateurs or chauffeurs; National (Speer) won; Marmon (Swoboda), second; Buick (Walker), third. Time, 5:29.

Fourth event; mile trial for fair ground track record of 10:54 1-5, held by De Palma. Benz (Oldfield) lowered record one-fifth of a second.

Fifth event; ten miles; free-for-all handicap; Renault (Balse), 1:15 handicap, won; Darracq (Kirschner), scratch, second; Marmon (Har-
