PLANS NEW MONOPLANE.

Lincoln Beachey Asks Permission to Practice Flying at Speedway.

Another bird man has sought a roost at the Speedway nest. Lincoln Beachey of New York, who has won quite a name for himself as a cloud tourer, came here yesterday and conferred with the management of the Speedway. His plan is to build a monoplane after his own pet ideas, and he visited the National Motor Manufacturing Company yesterday to arrange for a motor. He asked E. A. Moross for permission to house his dirigible balloons at the Speedway aerodrome.

He hopes to construct a monoplane to use in the aviation meet to be held here in June.

Roy Knabenshue, manager of the Wright brothers' machines, is expected here today to complete arrangements for the aviation meet here in June.

JEFF GOES THREE ROUNDS' PRACTICE WITH ARMSTRONG

Enjoys Hard Day's Work in Gym and Then Helps Camp Laborers.

BEN LOMOND, Cal., April 20.—Three rounds of fast boxing with Bob Armstrong, the big colored pugilist, was the most interesting feature of Jim Jeffries's training today.

Jeffries had been instructed by Berger to put some steam behind his punches. He obeyed so well that Armstrong was more than willing to quit at the end of three rounds. Jeffries's old left punch landed several times with telling effect on the negro. At the end of the match Jeffries was willing to go another round or two, but Armstrong refused.

Jeffries reversed the regular order of things at the camp today. He crowded a full day's labor into the morning session as though anxious to make up for his layoff.
