

# BOTH AEROPLANES AND BALLOONS ON LABOR DAY

**BIG ATTRACTION BOOKED FOR  
MOTOR SPEEDWAY SEPT. 5.**

**MANY ENTRIES PROMISED**

The new Indianapolis motor speedway will be the scene of a big event on Labor day, Monday, September 5. Arrangements have been completed for the second big aeronautic event of the year to be started in this city. On this occasion the contests will be for aeroplanes and dirigible balloons. They are expected to form the biggest attraction ever booked for Indianapolis.

The contests will be under the auspices of the Indiana Aero Club, and will have the sanction of the Aero Club of America. The program for the Indianapolis meeting will be practically the same as that of the St. Louis Aero Club, of St. Louis, set for October.

## Clubs to Exchange Courtesies.

The Indiana and St. Louis clubs will exchange courtesies. The Indiana club has agreed to send as many entries to the St. Louis meet as the St. Louis club sends to Indianapolis. The Indiana club has not announced its prize list, but it will be practically the same as that of the St. Louis club that was announced today.

Officials of the Indiana Aero Club expect the Labor day contests to attract thousands of people. The facilities at the speedway at that time will be perfect for the handling of an enormous assemblage and it is stated that there will be no repetition of the congested roads leading to the speedway that marked the bal-
