

CHICAGO AUTO CARAVAN TO START TOMORROW

SEVERAL HUNDRED IN INDIAN-
APOLIS-BOUND PARTY.

MUCH INTEREST IS SHOWN

CHICAGO, August 17.—Motorists of Chicago and vicinity to the number of several hundred have arranged all the details of their joint tour to Indianapolis, and the start will be made from the New Southern hotel at 6 o'clock tomorrow morning. On arrival at Indianapolis, headquarters during the three days of track racing will be at the Claypool hotel.

En route to the Indiana capital the tourists will stop at Lafayette, Ind., a half hour for lunch, and may be expected to reach the destination at about 6:30 in the evening.

The interest of the local motoring enthusiasts centers around the quartet of Chicago drivers; in the speed trials against time of the famous Benz car, shown in action in the west for the first time, and in the performance of the big Chadwick car, driven by Zengle, who captured the honors at the Algonquin hill climb. The smaller cars will, of course, be watched with enthusiasm, but their capabilities are better known and they will not, therefore, attract the attention as will the speed monsters.
