HE ARRIVES IN CITY TODAY

Fred J. Wagner, of New York, the most
experienced automobile race starter in
the country and likewise the most suc-
cessful, will start all of the record events
at the new motor speedway Friday and
Saturday afternoon. He arrived in In-
dianapolis this morning from the east.
Wagner was the official starter at the
speedway races last fall and he has offi-
ciated in that capacity in almost all the
eastern, middle western and southern
automobile race events. He has been a
starter for the past score of years, for-
merly acting at the big bicycle races
prior to the advent of the automobile.
Drivers of racing cars who expect to
create new records next Friday and Sat-
urday are hoping for dry weather that
they may practice on the speedway. All
arrangements for the record trials have
been completed and it only remains for
fair weather to make them successful.
