The Indianapolis car in the race, the Marion, made a good showing, finishing in fifth place. The Marion entry was piloted by Louis Strang, late of the Buick forces, and Charles Stutz, of this city.

FIRST FLYING MACHINE FOR INDIANAPOLIS HAS ARRIVED

Curzon's Farman Biplane Arrives and Flight will be Made at Speedway.

The first flying machine ever brought to Indianapolis arrived this morning. It is J. W. Curzon's Farman biplane that was entered in the recent St. Louis aviation carnival and that holds the world's record for time in the air. The machine was taken to the motor speedway this afternoon, where a flight will be made when arrangements have been completed. The machine is the first of a large number that is expected to be seen at the speedway. Mr. Curzon is enthusiastic over the prospects for making this city the nation's aviation center. The speedway facilities are said to be the best in America.
