Motorcyclists Meet Two Accidents on First Lap.

WOOSTER, O., August 19.—A trail of dust and the echo of staccato exhausts marked the trail of the ninety-nine entrants as they swept through this city today on the annual reliability contest of the Federation of American Motorcyclists from Cleveland to Indianapolis. Two accidents marked the run to this city, the first checking station: W. G. Moss, of Dayton, riding a New Era, was ditched by a pile of gravel near Seville. His machine was uninjured and he continued without delay. H. A. Peterson, of Buffalo, on a Topick, was thrown from his machine and run over by Frank Allerman and R. M. Underhill a short distance from Cleveland. The machine was damaged and Peterson sustained a severe injury to his knee, but stuck gamely to the contest and reached this city only ten minutes behind schedule. L. J. Mueller, captain of the Cleveland Motorcycle Club, and his riding partner, P. B. Whitney, were the first to register here. Good roads made the run to this city practically easy.

Young Fitzgerald Surprised.

MEMPHIS, Tenn., August 19.—Young Fitzgerald, of Milwaukee, met with a surprise last night when he faced Joe Mandot, a Creole boxer from Louisiana, the southerner showing fast foot work and enough skill to stay eight rounds, the last referee Radmon awarded the decision to Fitzgerald on his showing in the last two rounds.
