equaled at any meet. In the large car  
events the Buick, Marmon and National  
will be the greatest contenders, not that  
they will be faster than the individual  
cars, but that the full team of three cars  
will be entered in these events.

The American, with Lytle up, will be a  
factor in any event in which the car  
takes part, and the underslung speed-  
ster is entered in everything in which it  
is eligible. The Pope-Hartford, Fiat and  
others will also make a great fight for the  
gold, silver and bronze medals that will  
classify the championships.
