ORNAMENTS AND FURNISHINGS were topped off  
with delicate cords and policemen were  
stationed inside and out.

Mrs. Belmont was the first speaker at  
the meeting. She said that all were wel-  
come to Marblehouse in the cause of  
woman's suffrage; that the movement  
was one which must succeed, and that it  
was to the best interests of the nation  
that it should.

Mayor Boyle then introduced Mrs.  
Howe, who received an ovation, the feat-  
ure of the day. Every person who  
stood and united in long-  
plause, while the little woman, supported  
by Mrs. Belmont, stood at the front of  
the platform and smiled. Mayor Boyle  
finally rapped for silence, and for nine  
minutes Mrs. Howe, now in her ninety-  
first year, spoke in favor of the cause,  
which she said she had advocated for  
more than fifty years.

**EXPLOSION OF AUTO TIRE  
CAUSED SPEEDWAY DEATHS**

**Driver of Machine Which Killed Three  
Tells Coroner Reason for  
Fatal Accident.**

Testimony in the coroner's inquiry into  
the causes of the accidents at the Speed-  
way was taken yesterday by Coroner  
Blackwell. Charles Merz, who escaped so  
miraculously from the machine which  
killed Claude S. Kellum, testified that the  
front tire on the right front wheel ex-  
ploded, causing the machine to swerve to  
the right into the fence and over the em-  
bankment.

"We were going about sixty or seventy  
miles an hour," said Merz, "and after the  
machine turned over I crawled part way  
out and that is all I remember."

The testimony taken in the case of the  
death of Harry Holcomb and William  
Bouquet indicates the roughness of the  
track, and unites in stating that a tile  
ditch in which the wheels of the machine  
caught and dished, was responsible for  
the accident. F. S. Brandon, a soldier,  
testified that he was within five feet of  
the post they hit and ran to get out of the  
way, when a tire ringed him. Others  
who testified were Francis E. Haugh, 624  
West Tenth street; Reno Harbe, 430 East  
Michigan street; Albert Spieger, Kansas  
City, and John P. Weaver, 2506 Walker  
street.

**HOOSIER LIKELY TO BECOME  
HEAD OF SONS OF VETERANS**

**Newton J. McGuire, Indiana Man, Stands  
Good Chance of Being Elected Com-  
mander in Chief.**

WASHINGTON, Aug. 24.—The Indiana  
delegates to the encampment of the Sons  
of Veterans are feeling quite confident to-  
night that the Hoosier candidate, Newton  
J. McGuire, for commander in chief, will  
land the prize. Although the East has  
two candidates, McGuire has received as-  
surances of support from some of the  
Eastern states. This year the states will  
not vote as a unit.

In the appointment of committees today  
the Indiana delegates fared pretty well,  
Legrand T. Meyer being appointed a

during the day kept to themselves and  
even gave up a mass meeting planned  
for the late afternoon, as they believed  
the gathering could do no good at this  
time. Eugene V. Debs was in McKean  
Rocks to address the strikers, but even  
he declared that words were of little  
avail now, as the riots of Sunday night  
had once and for all placed the strikers  
in the position of outcasts, whose cause  
was all but lost.

**Strikers Will Lose.**

And on every hand tonight it is con-  
ceded that the strikers have lost their  
fight. The Pressed Steel Car Company  
plant today was in operation with over  
1,000 men at work. These men, white  
not all skilled or finished workmen,  
turned out three steel cars, which were  
placed on view just outside the car plant  
gates. In a measure, President Frank  
Hoffstot of the car company has made  
good his assertion that he would never  
give in to the strikers even if he were  
ruined financially and his plant had to lie  
idle for two years.

**Martial Law Remained Supreme in the  
City and more than 150 state  
and county officers patrolled the streets.**

Sixty-six men were loaded into a spe-  
cial car from the box-car jails in the  
car company plant yard and brought to  
Pittsburg in the afternoon, where they  
were arraigned before a magistrate on  
charges of disorderly conduct and carry-  
ing concealed weapons. The informations  
were sworn to by state troopers. Man-  
acled together in chains of four, the men  
were later transferred to the County Jail  
to await court hearings.

At sundown tonight began the search  
for weapons by the state police, using  
search warrants issued under the new law  
making it illegal for foreigners to have  
in their possession any firearm. Men  
found with guns in their homes may be  
arrested on sight.

The death list resulting from Sunday  
night's disorders now totals eleven, while  
two are in hospitals, expected to die with-  
in the next twenty-four hours. The less  
seriously injured are all reported to be  
improving slowly.

**WIFE OF SUPERINTENDENT

**Mrs. Stilverhart of Carlisle, Ind., Vic-  
tim of Attacks on Home by  
Crowd of Men.**

CARLISLE, Ind., Aug. 25.—Carlisle was  
thrown into a state of panic early this  
morning, when Mrs. Stilverhart, wife  
of the superintendent of the Carlisle mine,  
was fatally shot. Mrs. Stilverhart was at  
her home when the house was attacked by  
a crowd of unidentified men. She sus-  
tained a dangerous wound in the back.

While it is not known who is guilty of  
the shooting, it is believed to have some  
bearing on the recent trouble at the mine.  
There is said to have been feeling be-  
tween Superintendent Stilverhart and the  
miners for some time.

Sheriff Wible and six deputies searched  
in automobiles from Sullivan at 2
