Johnson never played before regularly a quarter back, but ended on last year's Hamilton. Ritchey was in only one or two last season. This is the first time of this kind this season, and Coach is making no predictions. However, the team hopes at least to hold out to a low score.

TO WORK TODAY.

Will Keep Football Squad Busy.

There will be no school this morning. Butler College Coach McCall has his football candidates to-day. He will make an effort to get all of the candidates in before the first game. Most of the squad are congratulating themselves over the fact that they will be able to play a game today on

MOTOCYCLISTS MEET AND MAKE PLANS FOR RACES

Meeting at Fair Grounds On Oct. 10 is Expected to Produce Some Interesting Contests.

A meeting and banquet was held last night at the Indiana Motorcycle Club at 119 West Maryland street and about fifty motocyclists were present. The president of the club, Charles Wyatt, is making arrangements for the big motorcycle races which are to be held at the Fair Grounds on Oct. 10. The club members gave their opinions as to how the races were to be brought off and as to the entry fees.

Some suggested that it should be an open race and others wanted it to be for the club members only. They could not come to an agreement last night, but it is altogether likely that the full particulars of the race and the participants will be decided on in a few days. The club will no doubt have crack riders in the race that have made records for themselves and the event is expected to be one of the best of its kind that has ever been held in any part of the country.

The motocyclists were given a big banquet and were entertained by Billy Bogert, the comedian, who furnished a lot of fun for the boys. Among some of the crack riders who were present were Erwin Baker, Walter Berner, G. H. Westing, Billy Bogert, Harry Graff, Jack Rice, Ray Bronson, Charles Wyatt, Billy Reed, Harry Dipple, Brettney and Jack Morgan.

RACES ARE VERY ORDINARY.
