Merz measured his coasting power well, then shut off the engine and coasted down the long west stretch and across the wire, winner of third money. The old driver says that pine men out of ten could have abandoned the car under circumstances, but Merz and Martin stuck and won. While both youngsters are veterans at the racing game, Martin is a veteran of the racing game, Martin is a veteran of the racing game, Martin is a veteran of the racing game.

Firestone

Firestone Stock Tires, Choice of Europe and America, Again Win

Taking first and second place in 500-mile international race at Indianapolis. J. Goux, the winner, driving the French Peugeot, knowing this would be a battle of tires, chose Firestones.

Spencer Wishart with his American made Mercer finished second on Firestones.

This is distinctly the greatest tire victory on record and under the worst conditions of heat, weight and speed—overwhelming evidence of Firestone superiority.

We Don't Build Racing Tires

Firestone stock tires won the race. Firestone stock tires have carried Bob Burman, Barney Oldfield, Ray Harroun and others to record-breaking victories. And these are the stock tires YOU will get when you specify Firestone.

LAST AUTO POLO GAMES.

Two Exhibitions On Program at Washington Park Today.

Football is rough, baseball is scientific, automobile racing has the spiciness of danger, polo is thrilling to watch, but take all the salient features of these sports and combine them in one, and the result is automobile polo. The game revolves itself around the ability of the man at the wheel. It is his work more than the mechanical swinging of the mallet with the mallet which is responsible for victory or defeat. The two pilots in last night's exhibition match were two experts.

the sphere, and the mallet men try to hit the ball with their mallets. The last games will be played today, both afternoon and night, at Washington park. The score last night was 6 to 5 in favor of Chicago.

Yale Meets Princeton.

NEW HAVEN, Conn., May 31.—Yale and Princeton crossed bats on Yale field this afternoon in the first of the big eastern collegiate games of the season. The Blue started the game a favorite, because of its remarkable record of twenty-three victories out of twenty-seven games played.

ST. LOUIS, May 31.—Athletes from fifteen colleges and universities in the Mississippi valley have qualified for the finals in the Missouri Valley conference meet which was scheduled to begin at Francis Field, Washington university here, at 12 o'clock this afternoon.

Auto Fads and Fancies

There is a new alcohol stove for the motorist which is a great heater. It is large enough for good service. It comes in a case.

The green or red Casco's coat, with the round white buttons is very attractive. For the extra wrap, its wide belt and put make it becoming to slender figures especially.

San Italian orders in little silk cases are the latest and prettiest in use. They come in white and black and have not been so worn with them.

Reulbach Holds On.

PITTSBURGH, May 31.—Pitcher Ed Reulbach, once a stellar attraction of the Cubs, earned a reprieve, it was learned today, when he held the Pirates to six scattered hits, yesterday, though he lost the contest. Reulbach was said to be slated for release before the Cubs returned home.
