# STICK TOGETHER LIKE LEECHES IN SPEEDWAY TRIALS

STUTZ TEAM

The most accurate, evenly balanced exhibition of team work ever seen on the speedway was that given yesterday by the Stutz trio, Anderson, Merz and Herr, when they were sent away under the wire to see how closely they could approximate 1.46 for the course, while running together. Lap after lap was reeled off in the time named, all three cars sticking together like leeches. True, one or the other, judging the pace to be a trifle too slow, would now and then speed away from the rest of the outfit. These spurts, however, were purely momentary, the

gaps between the cars again being closed up in a jiffy. The above photograph was taken on the northwest turn, as the three were rounding into the straightaway.

### Foster Out Six Weeks.

WASHINGTON, May 21. It will be at least six weeks before Paul Foster, the National's midget third sacker, can get back on the job, according to reports from physicians today. Foster, who fell from a slight track of dirt, today said he will have to take things easy until his full strength comes back.

nicely spaced. It will be noted that all the cars have on their racing suits, a spotless white. Their appearance is as neat as any car on the course.

**Water Out Six Weeks.**

ROTON, MAY 21.—It will be at least six weeks before Eddie Foster, the midget third sacker, can get back to the job, according to hospital doctors. Foster is convalescing from the attack of typhoid fever and will take things easy until his strength comes back.

**Jim Flynn Again.**

NEW YORK, May 21.—Fireman Jim Flynn, who will meet Jim Coffey, the Dublin giant, in a ten-round bout here Friday night, took to the road today for a stiff workout. Jim is doing more road work than usual for the coming fight and reeled off several miles yesterday.
