PHILADELPHIA PROMOTER MAKES BIG OFFER TO GET BATTERER IN SAME RING WITH MCFARLAND, WHO IS READY FOR BOUT.

The weather man's consent is all that is needed to make the automobile races scheduled for tomorrow and Saturday at the local Fair Grounds track a big success. Everything that the local dealers can do to make the program an attractive one has been arranged and the entries are pouring in.

Races of all kinds for every class and make of car are scheduled and each event is expected to fill well. The Indianapolis Automobile Trade Association, although given but little time in which to prepare for the contests, has worked overtime and is expecting to furnish the lovers of fast racing some of the greatest sport of the kind ever seen in this city.

The special match race between Carl Fisher's Stoddard-Dayton and Paul Smith's Haynes has been decided upon and there will be a race. Loring Wagner will pilot Smith's car and promises to give a good account of himself in the match.

PHILADELPHIA, Pa., Sept. 16.—Harry D. Edwards of the National A. C. today wired Battling Nelson, the lightweight champion of the world, an offer of \$10,000 for the title holder's end to meet Packey McFarland here during Founders' week, the first week of October.

Nelson is the best pugilistic card in America, and Edwards, being a shrewd judge of the cash value of a fighter, once gave Nelson a \$5,000 guarantee to meet Terry McGovern in this city in a six-round bout. There were some skeptics when it was announced, but the Dane took \$11,171.50 as his end of the percentage, which illustrates the keen sight of Edwards in bidding for the bout.

Then the Butler was not a champion and he had not fought the famous forty-two round bout with Joe Gans at Goldfield, Nev. Now the Dane has twice beaten the title holder, and he is the unquestioned lightweight champion of the world.

Jack McGuigan will referee the bout if it comes off. It will be six rounds and

TAKE FALL OUT OF ST. LOUIS

SUMMERS PITCHES GREAT GAME AGAINST BROWNS, WHILE RUBE WADDELL IS UNABLE TO HOLD DETROIT'S SLUGGERS SAFELY.

ST. LOUIS, Mo., Sept. 16.—Detroit took today's game from St. Louis by a score of 4 to 1. McIntyre's double in the first and his single and Schaefer's triple and Cobb's single in the third accounted for the winning runs. The St. Louis run was the result of Killifer's error. Score:

MANY CARS ENTERED BIG BID FOR NELSON

LOCAL MACHINES WILL RACE \$10,000 FOR SIX ROUNDS

MUCH INTEREST TAKEN IN SPECIAL MATCH EVENT BETWEEN STODDARD-DAYTON AND HAYNES—NEW RECORDS SOUGHT.

The weather man's consent is all that is needed to make the automobile races scheduled for tomorrow and Saturday at the local Fair Grounds track a big success. Everything that the local dealers can do to make the program an attractive one has been arranged and the entries are pouring in.

Races of all kinds for every class and make of car are scheduled and each event is expected to fill well. Soules arrived in the city late yesterday afternoon and at once started work on his red devil to get it in shape for the fray. The three big cars are now at Fisher's, while ever the finest lines of cups that have ever been offered are on display in the window of the When, among them the special cup for the fastest mile.

The big machines at the garage were surrounded by a curious crowd the entire day and the size of the cylinders of the record breaker were wondered at.

The wheels with their double tires caused much comment, while the small wheels of metal were also closely inspected. The whole car is so unlike anything else that travels on wheels that it was constantly surrounded and Christie's mechanic was kept busy answering questions.

Record Breaker in Shape.

New batteries and tires for the record breaker were received, as Christie intends to make a record here, for he well realizes that he will not likely be on a better track this year.

E. A. Moross, who manages Oldfield, laid a wager yesterday that the record of the meet would be below fifty-four seconds. On this he bet \$200 with one of the leading garage owners and after placing the bet was anxious to lay another, as he figured that he had a sure thing. This means that Moross is going to give the track unusual attention as he is directing the contest for the Dealers' Association and intends to win that \$200 or know the reason why.

Fisher will have several other entries in the events in addition to the car which he will have entered in the match race.

A squad of special police will be on hand to keep people off the track, while banners warning them of danger will be posted around the track.

Everything will be provided for protection of the public as well as having the race in perfect condition for record making. The races will start at 2:30 p. m. each afternoon.

Squire White will hold court at the Fair Grounds track with Prosecutor Payne. Any trespassers will be prosecuted to the full extent of the law.

Jack McGuigan will referee the bout if it comes off. It will be six rounds and there will be no decision. The men will box straight rules, protecting themselves at all times. That much has been settled, and it is all up to the Dane to decide whether he cares to meet McFarland for eighteen minutes or less for \$10,000. McFarland is ready.

VETERAN BACKS SHOW SPEED.

Coach Jones Sends Big Squad Through Good Workout.

CRAWFORDSVILLE, Ind., Sept. 16.—Enough men were out in football suits on Ingalls Field at Wabash College this afternoon to form three elevens, and all were put through a stiff workout by Coach Ralph Jones.

Paulus Colbert, varsity right half, joined the recruits today for the first time, and a back field composed entirely of veterans went through a speedy formation practice. "Doc" Garver was placed at left half, Sam Starbuck at full back, Colbert at right half and Jack Hargrave at quarter back. "Husky" Bowman, the giant guard, will be back from the wheat fields of Minnesota on Friday in the pink of condition.

The lack of rain recently has caused the gridiron at Ingalls Field to become extremely dusty, and this is proving a big handicap to work under. The squad is expected to reach the forty mark by the first of next week.

PATHFINDER AT BLOOMINGTON

Auto Arranging for Run to Be Held On Oct. 5.

BLOOMINGTON, Ind., Sept. 16.—Bloomington automobile enthusiasts had as their guests today a committee of automobilists from Indianapolis who are arranging a route for a tour of about one hundred machines from Indianapolis to French Lick and return on Oct. 1 and 2. The tour is to be made for the sealed Bonnet endurance run of the Indianapolis Automobile Trade Association. The route is from Indianapolis to French Lick on the first day, and from French Lick to Indianapolis via Bloomington the second day. The committee arrived today in the "Pathfinder" car, and is composed of Frank Staley and Joseph Moore.
