WINS WITH NATIONAL CAR ONLY DEFEAT ST. LOUIS

DARING AUTO DRIVER MAKES INITIAL BOW WITH INDIANAPOLIS MADE CAR, BUT RAIN HINDERS LOUISVILLE RACES.

LOUISVILLE, Ky., June 9.—Fitful rain-
storms and heavy black clouds marred
the automobile races in honor of the
visiting Shriners at Douglas Park today;
though there were no accidents.

Five events were run, Louis Strang
winning two, Barney Oldfield and Tilford
Cowell one each.

Oldfield beat Strang by one-half mile in
this, their first competition.

Barney made his initial bow to the
racing public with his National car. This
was the same machine that had been
used at the Wilkesbarre hill climb, in
Pennsylvania, and was not given a chance
to show its limit of storedup speed be-
cause of the muddy track.

Oldfield left a Locomobile more than a
mile behind and showed his heels to
Strang, one-half mile behind. The time
of 10:50:35 is considered poor by Barney,
and he said he could have made that
time look sick but for the rain. For
the last three or four miles he raced dur-
ing a downpour of rain and lowered his
speed.

John Aitken sprung a surprise by cap-
turing second place with a little National
four in the second race.

In the ten-mile open race, won by Old-
field, Strang drove his Cobe Trophy
thirty-horse-power Buick. No records
were broken. The attendance was large.
