LaCrosse team and now playing with the
Cardinals, was handed down by the na-
tional commission yesterday. It gives the
St. Louis club possession of the player,
the commission ruling that President
Lennon, of the St. Paul club, was too slow
in drawing up articles after an agreement
had been reached between the St. Paul
club and the LaCrosse management, and
that the action of Manager McCloskey, of
the St. Louis club, in stepping in and
buying the player during the interval was
perfectly legal in organized baseball.

CLEVELAND, July 9.—New York
captured the Olympic cup yesterday
afternoon in the annual competition for
that trophy, leading the Chicago team
by eight out of a total of 649 points. The
victory was due to the fine work of Je-
rome D. Travis, of New York, or if it is
preferred to put it negatively, to the
afternoon slump of H. Chandler Egan, of
Chicago.
