Another stary angle and the contenbernette fannent, mag abat alf bie fen beibeit einen beit found to the meader for amortische tripped opening this in one driver will try for the form a till this from Oriental Clause, his chilarial to combine beart to make the turn. For that engineen this plant of the coupler, which will be heart's funced with wire closed and will be left agen, and condiers will keep the epertalinte away

The east beg is a racers dream Without a maver to eight the left, it builds straight aboad to Crowequates, south ton miles. A part of the first times miles has been dubbed "Roller Constre" from its likeness to the summer park amuse-ment devices in its sudden groups downward and following ascents. The distance from crest to lowest point, however, is not great enough to affect speed, and the cars at this point will be able to exert every ounce of power just where it will help most to make this the fastest race ever held in America: There is not a railroad crossing on the course.

Closes Pope Option.

-According to a telegram received from J. N. Willys from Cleveland, O., last night by Will W. Brown, the option on the Pope plant at Toledo, O., has been closed by the Overland Automobile Company.

Barney Oldfield, recognized king track automobile drivers, has returned to this city to superintend the construction of his National racers. He will spend a great deal of his time at the factory.

The Studebaker Brothers have taken over all the Indiana contracts of the E-M-F Company. B. W. Twyman, who has been agent for the E-M-F Company in this state and who holds all the contracts, will retain the same position with his new employers.

The change resulted from the recent deal wherein the Studebaker Company of South Bend bought about offe-third of the stock in the E-M-F Company and contracted for the entire output of the E-M-F Company after Sept. 1. Although the Studebaker Company has Frank Stately as its representative in Indiananolis, there has been as yet no combination between him and Twyman.

HAMMER THROW VICTIM BETTER.

LAFAYETTE, Ind. May 25 -Prof. B. M. Hoak of the Purdue University faculty, who was struck in the abdomen by a twelve pound hammer while acting as judge at the state high school track meet Saturday afternoon and was later taken to the Home Hospital in a critical condition, was pro-nounced slightly improved this afternoon. Attending physicians are yet undetermined as to whether an operation will be necessary.
