## OLDFIELD REACHES CITY.

Great Driver Will Remain Here Until  
After Decoration Day Races.

Barney Oldfield arrived in the city last  
night from Cincinnati and will remain here  
until after the races at the Fair Grounds on  
Decoration day. Mr. Oldfield, accompanied  
by his wife and Mrs. Wilson, drove the dis-  
tance from Cincinnati to this city in a little  
over eight hours. The ride from Greenfield  
to this city was made in an hour. Part of  
the way Mr. Oldfield pitted his big red tour-  
ing car against the Greenfield Interurban car,  
and last night he said that for a greater part  
of the distance he had the big electric taking  
his dust.
