FIFTY-MILE RECORD SMASHED

Wallace, in a Darracq Machine, Covers That Distance in 1:1:20 1-5.

PHILADELPHIA, Pa., Nov. 10.—The Darracq machine, driven by E. Wallace, captured the fifty-mile championship event here today in the record time of 1 hour, 1 minute, 20 1-5 seconds. This breaks the track record of Barney Oldfield of 1 hour, 2 minutes.

The Oldsmobile, driven by Ernest Keeler, finished second, and the Pope-Toledo machine, driven by Frank Yeager, was third. For thirty miles the Oldsmobile held the lead, when the Darracq, by a great spurt, forged ahead. This mile was made in the remarkable time of 1 minute, 5 seconds. The only change in positions was on the thirty-sixth lap, when the Oldsmobile dropped back to third and then regained second place on the fortieth lap, finishing in second place.

The Oldsmobile broke the twenty-five-mile record in this event. On the back stretch, in the fourth mile, there was a collision, in which a Thomas flyer, driven by Ernest Kelley, was smashed.
