APPERSON CAR IS WRECKED ON TRACK

Driver and Mechanician Escape Serious Injury in Spectacu- lar Accident.

HARROUN BREAKS A RECORD

Lowers Mark in Five-Mile Com- petitive Event in California Motordrome Meet.

PLAYA DEL REY, Cal., April 10.—The first accident of the Motordrome meet occurred this afternoon, in the fifty-mile race, when the Apperson "Jack Rabbit" car overturned and rolled over several times. Harris Hanshue, the driver, and Carey King, his mechanic, escaped with nothing more serious than severe bruises and a shaking up.

The accident, which was caused by a broken tire, was one of the most spectacular ever seen on a motor track. Four cars had started in the fifty-mile race. A broken valve spring had eliminated Barney Oldfield's Knox. Marquis, in the Isotta, had taken the lead, closely followed by Hanshue. A bad tire had cost Livingston's Stoddard-Dayton five miles. Hanshue was chasing the Isotta while Livingston was trying hard to pass the Apperson. The Apperson and Stoddard swept by the stand like a flash side by side.

A hundred yards beyond the judges' stand the Apperson's right rear tire went off and the car swerved. Livingston went high on the bank to safety. The Apperson turned suddenly to the left and shot off the track. The momentum was too great for the car to be straightened

A hundred yards beyond the judges'
 stand the Apperson's right rear tire went
 off and the car swerved. Livingston went
 high on the bank to safety. The Apper-
 son turned suddenly to the left and shot
 off the track. The momentum was too
 great for the car to be straightened
 quickly and when the wheels on the right
 suddenly collapsed the car rolled over four
 times.

Hanshue was pinned under the steering
 wheel and did not fall out until the car
 had turned over twice. As the machine
 rose in the air King was thrown ahead
 fifty feet. He then began rolling along the
 ground like a log, the car rolling over and
 over a few yards behind him.

Both Men In Hospital.

Both men were unconscious when
 picked up and taken to the hospital tent,
 but they soon recovered and an examina-
 tion did not show any broken bones. The
 car was wrecked.

A new record was established in this
 race by the Isotta, which finished in
 39:20.69. The best previous mark by a
 car in this class was 42:02.98, made at
 Atlanta by Robertson in a Fiat.

The competitive five-mile record was
 also broken by Harroun in a Marmon in
 the race for cars of the 231-300 class. The
 distance was covered in 3:55.97.

The crowd was the largest of the meet,
 fully 12,000 persons crowding the stands
 and infield. Motor cars and spectators
 lined the course around the entire field
 fence.

In the record trials Oldfield in his Benz
 made the fastest mile, :36.90. Robertson
 drove the Simplex three miles in 1:58.98,
 and De Palma made five circuits in the
 Fiat in 3:40.27.

Amateur Driver Wins.

The five-mile free-for-all was a fight.
 Three cars started, Bragg in a Fiat, Rob-
 ertson in a Simplex and Kerscher in a
 Darracq. Kerscher had the speed, but his
 car would not hold to the track and he
 gave up the lead after holding it one mile.
 Then Robertson took command, but in the
 fourth mile Bragg, an amateur, shot
 around the outside and won by several
 open lengths. The time, 3:15.89, is a new
 record.

Cleveland Americans Squeeze Mud Hens In Close Game.

TOLEDO, O., April 10.—In the most brilliant contests ever played on the local diamond, the Cleveland Nationals defeated the Mud Hens by a close score of 1 to 0. Both sides played brilliant baseball, and the fine twirling of Owens was especially worthy.

Owens allowed the heavy-hitting Cleveland team to get three hits. His splendid work on the mound earned him the honor of pitching the winning game with Indianapolis Wednesday night. Naps scored their lone tally in the seventh on Rose's wild throw to Freeman, which was followed by Turner's timely single. Score: Cleveland 1, Toledo 0.
