WISCONSIN INTENT ON BEATING ILLINI

Students at Varsity Holding Mass Meetings to Arouse Spirit Saddened by Coach Stagg.

Madison, Nov. 3.—The first of a series of rousing mass meetings was held this afternoon on Camp Randall before the varsity football squad. A call was issued Monday for this meeting to crush all adverse criticism that has been thrown at Coach Juncos, and others because of the Chicago defeat. Over a thousand students joined in the yelling, led by McArthur, the band turned out and assisted by playing variety airs. The next meeting, to reinstate Wisconsin spirit to a more marked degree, will be held Friday afternoon, with two more similar outdoor sessions next week.

Quarterback Eber Simpson is rather discouraged over the fact that he missed the goal last Saturday that would have tied the score. Moreover, Smith and Byers are disconsolate because they dropped the ball at critical times. Coach Juncos lays the defeat to fumbling alone, although he admits his team was outplayed by the Maroons.

The squad commenced work Monday with a different attitude than that which prevailed last week. Intent on trimming Illinois and Minnesota, Captain Howard Buck is giving his men all the encouragement he can. Meyers, Galvin, Koch and Kreuz should be in excellent condition to tackle the Illini in another week.

In the scrimmage that was held this afternoon Smith and Byers featured with long runs, the former sprinting off several good gains for fifteen and twenty yards, while Byers scored a touchdown after a sixty yard run through the strong scrub eleven.

The defeat Saturday was responsible for much gloom on the campus Monday, but students are now bent on beating Zuppke's men at Urbana next week. Wisconsin can win the title if Chicago loses both her remaining games and Buck and his crew copy both Badger games. Illinois won from Wisconsin last year, when the Badgers were less than 50 per cent as good as they are this year. A scrap between Byers and Pogue is looked for, as

BASKETBALL RULES SHOW NEW REFORMS

many here believe the speedy Dow is equal to Zuppke's star.

New Regulations Make It Necessary For Players to "Play the Ball and Not the Man."

Basketball rules, just issued show many changes and the object of the changes, according to the joint rules committee, is not only to provide a uniform code for all games, but to induce players to "play the ball and not the man."

Every effort has been made to center play about the ball and baskets and not about the players.

New rules govern blocking, holding, and charging and special attention of players and referees is called to the penalties in these departments.

It is expected the rules will make a good deal of "rough house" out of the game and make it more open for the benefit of players as well as spectators.

The rules have been adopted by the Young Men's Christian association, Amateur Athletic union and National Collegiate Athletic Association, so that this year, for the first time, all games will be played under the same code. In former years there were two sets of rules and the style of game permitted under them was vastly different. One of the most important changes permits a shot for goal after a dribble.

Another states that on a free trial for good players will be allowed to enter the free throw lane as soon as the ball hits the basket or background. This is expected to be an improvement over both sets of old rules as the time for entering the lane is fixed definitely.

When the referee awards the ball to a player out of bounds, an opponent is not allowed to touch the ball and delay play long enough for his men to "cover" opponents. This is planned to do away with one of the most unsportsmanlike features of the game.

The rule book comments on the changes in the code and pays special attention to the rules on blocking, holding and charging, the idea being to do away, as much as possible, with personal contact and roughness.

YALE'S COACHES START REBUILDING OF ELEVEN; NOTES FROM GRIDIRON

New Haven, Conn., Nov. 3.—Yale's coaching staff was today reinforced by ex-Capt. Tom Shevlin, who made the jump from Minneapolis in response to Captain Wilson's emergency call.

While Shevlin is regarded as the head of the coaching system, Captain Wilson, night-stated that the coaching would be done by a board of directors, of which Frank Hinkey, who has been head coach for several years, is one.

Howell Vannostrand, freshman quarterback last year, was given that position on the varsity, Captain Wilson going to right half back, displacing Higley, who was given to his former position at left end, succeeding Mosely.

Captain Wilson authorized the following statement:

"The situation up to today has been that the team has lost confidence and lacks knowledge of elementary football. This has been due in a large part to the fact that experienced and older men who have played on former championship Yale teams have not been assisting in the coaching. They have now been called back, both by Coach Hinkey and myself. They will take charge of the team. In effect the change is a return to the old Yale method of a board of coaches taking the responsibility for the team instead of any single coach. Mr. Hinkey will be one of this board."

Cambridge, Mass., Nov. 2.—George McKinlock, the chunky Harvard half back, had his first taste of scrimmage this afternoon in three weeks and his bad leg seems as strong as ever. The varsity went through a half hour's hard scrimmage, defeating the second team by one touchdown. King made the score, pounding through center after Mahan and Boles had taken the ball forty yards by straight rushing.

The second team played in flashes, gaining great ground on so-called Princeton formations, but it lacked the punch to get inside the varsity's twenty yard line.

Smith Injured.

Madison, Wis., Nov. 2.—Examination by varsity medical advisers of an injury to Half Back Smith in this afternoon's scrimmage between the varsity and the reserves revealed a shoulder dislocation which will keep

RESTA SETS NEW MARK FOR ONE HUNDRED MILES ON SHEEPSHEAD COURSE

New York, Nov. 3.—Dario Resta added another victory to his long list here Tuesday afternoon when he won the 100 mile Harbors' gold challenge cup from a field of six starters. Bob Burman finished second.

Resta's time for the century was 56 minutes 55.71—1:00 average. Resta's average speed was 105.36 miles per hour. This established an American record for the distance.

Edie Hakenbach, driving a Maxwell, finished third, with Resta and Burman drove Peugeot's.

At the end of the first lap Johnny Aitken, in a Blue Devil Peugeot, flashed by in the lead.

After leading for ten miles Aitken went out with a broken connecting rod. Burman took the lead, but at twenty miles Mulford went to the front. His speed average was 105.7 miles an hour. Mulford held the lead at twenty-five miles.

Dario Resta had jumped into the lead at fifty miles. Mulford was close behind. Resta's time was 55:55, an average of 105.5 miles an hour.

A cash prize of \$12,500 went with the gold cup offered as the trophy for the race, which was an invitation affair and named only for the six leading drivers of the country.
