

Athletes of Massillon and Canton High Schools Engage In Dual Meet Here, Saturday

Massillon high's track and field athletes, who will compete in meets at Wooster, Alliance and Columbus, will receive their first test of the season, Saturday afternoon, on the driving park grounds, tackling Canton high's tracksters in a dual engagement. The meet is scheduled to commence at 2

Coach Snavely's boys are touted to win the meet, from the form they displayed last Satudray in the inter-class meet. Canton will have its first trial, Saturday. Weather conditions will determine largely the form to be shown by the competing tracksters.

Bad weather has held back the training of the local athletes, only two outdoor workouts being secured this week. Coach Spayely said today that he had not definitely seeleded the men who would compete in the various

Yost strongly favors competition in all branches of athletics with western teams, for, he says, "it is neither desirable nor practicable for Michigan to be half east and half west." He declares that it has not been possible to arrange satisfactory base ball or track schedules outside of the conference.

"I am strongly in favor of Michireturn absolutely and completely. My chief reasons for a resumption of athletics with the conference institutions

Michigan always have wanted to compete with western college teams.

"That from all reports we can look forward to friendly and continuous athletic relations with all conference teams, including Chicago and Wisconsin, and that there will be a more gen-ship Ohio State University foot bail • "That if we are in the conference a member of the officers' reserve. it will not matter much what rules and regulations are in force, as we will equal footing so far as eligibility rules results.
