## High School Athletes In Interclass Meet, Saturday

The first track and field meet of the season will be held Saturday afternoon at 2 o'clock on the driving park grounds, east of the city, when athletes of Massillon high school will stage an interclass meet under the direction of Coach John Snavelly.

It is likely that the Seniors will be pitted against the other three classes—Juniors, Sophomores and Freshmen. The upper classmen have a majority of the track athletes on their team and it is believed more competition will be furnished by having them battle against the other classmen.

Although the weather so far has not been any of the best for outdoor work, Coach Snavelly has had his athletes out whenever possible and they will be in fairly good shape by Saturday. A week from Saturday the orange and black tracksters will meet Canton high in a dual meet on the driving park grounds.

## Racers Prepare For Annual Race

Cincinnati, April 25.—Now that the definite announcement has been made that the annual Decoration Day speedway race will be held on the track at Sharonville, O., this year, instead of at Indianapolis, drivers from all parts of the United States and some sections of the war zone of Europe are getting into communication with the local management with a view to starting in the 250 mile classic.

The sanction for the race and its conditions have been received from Secretary Kennerdell of the American Automobile association and drivers have already assured the management they will be here in sufficient numbers to make the race exciting, even should there be no additions to the list of starters, already pledged, either by mail or telegraph.

The first foreign drivers to send in their entries were Josef Christiaens, the Belgian star, who is in the aviation corps of his country in Flanders, and Enrico Cagno and Jack Seales, who have been attached to the Italian army. Another noted driver who is expected to start is Eddie Hickenbacker. He was a member of the Indianapolis Speedway team last year. Dario Resta, who won the international championship last year, also has been heard from in connection with the Decoration Day race and indications are that Ralph De Palma will enter two American made cars in the race.

Billy Chandler has informed Manager Harry Shoskey that he will have two and possibly three, cars in the race. Other prospective starters are Ralph Mulford, Ira Veil, Louis Chevrolet, S. Ostewig, Fred Duesenberg and L. C. Erbes. Gil Andersob, H. Atkin and other speed demons who took part in the last labor day race, are still to be heard from, but it is confidently expected that as soon as they receive entry blanks they will send in their acceptances.

## Risberg's Triple Defeats Cleveland Tuesday; Score 1-0

"Swede" Risberg, a tall, lanky youth, who the Chicago Americans secured from the Vernon club of the Pacific coast league to play short stop, came through with a three base smash in the ninth inning Tuesday that won a hard fought game for his team from Cleveland by a 1 to 0 tally.

Stanley Coveleskie, who pitched for the Indians, kept the Windy City athletes to one hit until Risberg came to bat in the ninth. "Swede" then connected with one of Stanley's shoots and Eddie Collins, next batter, hoisted a long fly to Jack Graney in left field and Risberg scored easily with the winning tally.

Coveleskie pitched splendid ball, holding the league leaders safe until the last session. Risberg's smash was the only clean hit registered by the White Sox. The other was a Texas leaguer.

Jim Scott was touched for five hits by the tribe, but Cleveland was unable to score, although Chicago had four misplays. Ten Indians died on the sacks.

## Yankee Hurls No-Hit Game

Mogridge, New York Yankee pitcher, entered base ball's hall of fame Tuesday when he turned back the world's champions, Boston Red Sox, without a hit. New York won 2 to 1. Boston scored its lone run in the seventh. A base on balls, an error, and a sacrifice hit and a sacrifice fly produced the count.

## PURDUE ATHLETES LEAVE FOR FARM

Lafayette, Ind., April 25.—The efforts to increase the production of food stuffs in Indiana on account of the war is playing havoc with the track of Purdue University. Several track stars are seniors in the agricultural school and more than 40 members of the graduating class in this department have been sent out to assist Indiana farmers and town-lot gardeners in raising bumper crops.

Track Coach O'Connor, however, is hopeful that a plan can be arranged whereby the athletes may be permitted to return to Purdue to participate in the track meets.

Crowe, the Purdue shot putter, and Arbutkie, the conference javelin throw champion, are two men who have already gone forth to assist farmers and their loss will be keenly felt if they are not permitted to participate in the meets. VanAke, captain of the track team and one of the star runners, also may be called upon to leave school and join the corps of county assistants.
