#### WATCHING THE SCOREBOARD

NUNAMAKER'S BATTING WINS SOME PRAISE.

Tris Speaker Continues to Earn His Salary by Getting the Wallops.

Chalk up 1.000 for Nunamaker of the Yanks. The former Boston backstop made two singles, a double and a triple off Ruth, of the Red Sox.

But the world champions won out in the tenth when Henriksen scored on Hoblitzell's single.

Rudolph, of the Braves, was so much of a puzzle to the Giants that McGraw was neeved into arguing with Umpire Klem, who promptly chased him off

Benny Kauff got a double yesterday. The Indians cut loose at the expense of the White Sox, winning 9 to 2. Some odd hundred White Sox Rooters, who made the trip from Chicago, groaned as they saw their pets slaugh-tered.

Tris Speaker earned a little of that fifty thousand Cleveland paid for him by making two hits.

The Cincinnati Reds and the S Louis Cards staged a little batting fest. Both teams made a total of twenty-six hits. The Reds won.

#### Coulon Was Winner.

CHICAGO, April 26 .-- Johnny Coulon, ex-bantam champion, was a "comeback" here today after beating Johnny Ritchie of Chicago in a ten round test bout at Kenosha last night Coulon's long layoff made his judgment of distance poor but he displayed enough to win by a comfortable mar-

#### TOPEKA WRITER HAS RIGHT IDEA ON no fooling along with might-have beens. St. Joseph fans are going to BASEBALL SUPPORT.

In the midst of all the hysteria over the necessity of supporting now, and I am well satisfied with it in baseball, it is rather refreshing to read the remarks of a baseball every particular save perhaps the writer who can urge good attendance without verbally assaulting good men on the staff, but for some those who may disagree with him. Jay House has the right idea on reason, probably the cold weather, the attendance question and he puts it up in the right way. Talking they have not found themselves yet. to Topeka through his "colm" he says:

"After which we drop into serious vein long enough to remind you that the opening game of the baseball season will be played this after- they will be obtained before it is late noon. A number of persons know that such a game is to be played, but it may be that the matter has escaped your attention. We refer to it here because Topeka is on trial this season and no real friend classy baseball team this year, and I of the town wants it adjudged guilty, as charged.

"Briefly, the indictment is this. John of Savage left a good comfortable job a year ago this spring and went into baseball in Topeka. He pulled Topeka out of the baseball slough of despond and gave it a third place team for the first time in many seasons. When he came to cast up the receipts and expenditures, he found it had cost him the salary he would otherwise have drawn and about \$3,000 in addition. Mr. Savage, being a poor man, can no be expected to go on indefinitely pay ing out \$3,000 a year to give Topeka a good baseball team. He has had all the experience he needs. Unless he gets a little money this year there won't be any encouragement for hin to come back next season. And i Savage, who is the smartest, the bes equipped and the squarest basebal man the town ever had, throws up his hands, this town will be so dead in a baseball why that a desicating plant would be unable to recover anything from the carcass.

"There is nothing personal in these lucubrations. We can get along with out baseball. If the attendance is short this year we don't intend to rip and rave about it. Whether a man goes to ball games is his business. But the ball games is his business. But the work of the property of the pro out baseball. If the attendance is short there ought to be no misapprehension about the matter and we have tried to disclose the exact truth concerning it. If baseball can't make a living in Topeka the town is not entitled to basebali. If baseball doesn't make a living here we shan't have baseball so very long."

#### THE GAME IN OMAHA.

Reports from Omaha gave the attendance at the opening game as 5.900. As a matter of fact the paid atténdance was 5,200. The weather was of the real arctic type and that catted something of a slump. Pa Rourke's grandstand opens to the north and the breezes had full sweep at every tier of seats.

The battle looked rather bad for printed: Lincoln when the results were put in type but there were lots of excuses! for the loss. Omaha's pitcher. North, the Drummers left last night for great twirling but there were several open a four-game series this afterhits on a quiet day. It was the luck when his pitchers get to going he has of the game that most of Lincoln's one of the best teams in the Western swats were blown to the fielders while league. the Omaha sluggers let the wind blow their offerings away from the Lincoln gardeners. Ray Schmandt sent two almost to the fence but in each instance the wind carried them directly into ita, I shall hurry east and get players the bands of Manager Kruz.

The Rourkes have picked up a sure enough shortstop and a real second baseman. Priest at second is a former teammate of Stevenson, Lincoln's shortstopper. A feature of the game was his one-handed stop of a grounder rust off first. Kilduff at short covered all the territory between the foul lines and looked classy.

The Ducklings hated to lese the game but they didn't kick. But Manager Ducky has redoubled his energies in looking for another patcher to bolster up the staff. He has had his fingers on three or four flingers of class but each time an AA cinh has stepped in and rudely jerked his mitte away. It was an awful day for any
