

Hartman Is Star Of Game

Lone Handed Almost, High Twirler Takes Over Westminster Reserves

FINAL SCORE OF MELEE IS 15-0

(By JOE GRAHAM.)

New Castle High had a merry swatting festival at the expense of the Westminster College Reserves Saturday afternoon and when the score keeper finally got writers' cramp the tally stood 15-0 in the locals' favor. The scheduled nine-inning game was cut to seven innings.

Hartman was the big star of the contest with 13 of the 21 putouts to his credit, seventeen of which were strikeouts. Besides this achievement he connected with the opposing twirler for three hits from which he collected one run. In fact the pitcher and catcher had the game on ice between them for only one college man managed to secure a hit and was caught napping off first base before the next ball was pitched.

In the first inning New Castle went around the batting order almost twice and before they retired they had amassed six runs when Barrett tied out, leaving three men on the path. In the Westminster end of the inning Hartman hit the first man up and he took his base but he never got any further as the next three players had fifteen balls pitched to them for a total of nine strikes and the side retired.

Westminster's best inning was the fifth when five men faced the local battery and one reached the third sack. The next man up fanned, however, and what looked like a tally was cut off.

New Castle was very lively with the willow and despite their fifteen runs only three errors were marked up against their opponents.

The game was played in such biting cold that the players had to build a fire to keep warm and the two hundred spectators who were present at the start of the game soon left especially after the foam dropped to the wrong end of the score. The New Castle team made the trip in automobiles and about a dozen carloads of rooters accompanied them.

The score:

A. E. F. Baseball League Has Started

PARIS, May 19.—Baseball teams representing the various divisions making up the American army of occupation began a series of championship games on Wednesday. General Pershing and Major General LeGarde, commander of the second division, saw the first division team defeat the second division by a score of 7 to 5 at Montauban. Ten thousand doughboys watched the contest. At Amersfoort the third division beat the fourth by a score of 17 to 4.

Baseball has spread northward into Holland where Americans and Dutchmen employed at the American base at Rotterdam have formed a league.

HERE, YOU INDUSTRIAL LEAGUE MANAGERS, "MIZ" IS BACK HOME

"Miz" Dart, one of the classiest baseball backstops, and also one of the best football stars that has yet graced a local sport field has arrived home from France, where he served with the 15th Engineers.

"Miz" desires to play baseball. "First come, first served," says "Miz."

"Over There," Dart played only one game after the armistice had been signed. A French barber shaved "Miz" and as a result he caught the barber's "itch." It put "Miz" on the hospital list for a month.

Dart is ready to play baseball and its a cinch he will make good. "First come, first served," says "Miz."

League Draws Large Crowd

With every promise of the weather continuing favorable during the coming week, the Industrial baseball league will get further on its way and some good games are in store for the fans.

It is possible that some of the games which were postponed from last week can be played off during the coming week, as rain interfered with three contests during the opening week.

Rath Slugs His Way Back to the Majors

NEW YORK, May 19.—Morris Rath has made good for the Reds. He is now to the Reds and to the National league, but he is no rookie in the ordinary sense. He came up first to the American league and hung around for several years with the Chicago White Sox, the Athletics and the Cleveland Indians, principally as a utility infielder. In fact, he was quite a veteran in a way when he was dropped back to Salt Lake in the Pacific Coast league.

Rath vented his spite for being sent to the hush by hitting an even 300 for Salt Lake in 1916. As no body paid any serious attention to him, he got mad and batted .341 for Salt Lake in '17 games in 1917. Thereupon the sporting athlete became a prominent personage and a number of major league managers scrambled for him with undignified haste. Cincinnati finally landed him, but about that time the war situation became a matter of much moment and Rath enlisted for Uncle Sam, with whom he remained all through the season of 1918. He was discharged last winter and signed with the Reds.

Rath bats left-handed, has speed, and has a knack of reaching first base, which elements have caused him to be placed for the present at the top of the Cincinnati batting order.

3 Boxers Over There Each Lose a Leg

Word has just been received that Louis DePonthieu, the French lightweight champion who was supposed to have been killed in the war is alive and well and anxious to get back in the game. Before the war DePonthieu made a tour of Australia and had some great battles there with Hughes McBain, Kid McCoy and other good heavyweights. He served through the war and was wounded in the knee but it mended nicely. Louis stated that three of his opponents all lovers had lost a leg each.

Dario Resta Enters Race In Indiana

DARIO RESTA

INDIANAPOLIS, Ind., May 19.—Eleven foreign cars, with eight foreign drivers, will start in the International 500-mile Liberty sweepstakes race on the Indianapolis speedway, May 21. This is more than one-fourth of the entire field of forty-three entries, a formidable proportion, and one that is expected to increase to one-third with the running of the time trials that will eliminate ten of the contestants prior to the race.

Though the foreign field at Indianapolis this year bulks larger than in any contest ever held on the huge brick tract, the numerical odds will still be 2 to 1 against it. What it lacks in size, however, it more than makes up in quality, being composed of the fastest snare eaters ever sent across the pond.

Soldier Athlete Has Returned From Service

Carl Reebie, one of the best known baseball players of the city who has been stationed at Fort Sam Houston, Texas, since the armistice has been signed, has secured his honorable discharge from the service and returned to his home here. Reebie was one of the first to enlist from this city after war was declared and for a time was member of the 20th Division, but when that unit was sent overseas was not taken along and had to be content with service in Texas during the remainder of his army career.

Pryel Recovers From Injury; Fights Gradwell

JOHNSTOWN, May 19.—Accidents may halt Ray Pryel but they cannot stop him. Forced to call off his bout with the Violent Fire company champion May 5 because of an accident while training, Ray says he is coming back stronger than ever. His ten-round match with Willie Gradwell of Newark, N. J., will take place Monday evening, May 26.

Yung Bowen To Be Under Dunn

One week ago, Yung Bowen fought Alvie Miller at Elyria, Ohio, and according to a special received by The News, he won over the Lorain featherweight, who was managed, it is said, by Jimmie Dunn.

When Jimmie Dunn and Jimmie Dunn met at the ring-side of the Ralph Brady-Johnnie Kilbane bout in Cleveland a few days later, Dunn informed Dunn that Miller had defeated Bowen.

Bowen had no sooner returned to New Castle, than Dunn attached a "cun" to him for having accepted the bout without having asked his permission—also, on account of the purse for which Bowen fought.

South Siders Are Defeated By Edenburg

Southside's Athletics were defeated Saturday afternoon seven to six by Edenburg in a loosely played game.

Several of the regulars of the S. S. A. C. failed to show up for the game, having been under the impression that the Edenburg aggregation was composed of mediocre players and the result is evidence enough that Edenburg proved too fast.

Another factor that helped in bringing defeat to the Athletics, is claimed by the manager, Kirwan Hilbert, who stated today that the Athletics have been practicing on wet grounds and have been unable to properly work in the infield and outfield.

The manager of the I. A. A. team, Vitus Conti, is requested to call 1200-M between 5:30 and 6 o'clock p. m. Monday in regard to a game for Saturday, May 24. Other teams desiring games can communicate with Kirwan Hilbert, 533 South Mill street, and by telephoning Bell 1200-M between 5:30 and 6 o'clock p. m.
