

# THE LIVE SPORT NEWS OF THE DAY

## PEPPAS WINS AGAIN

M. T. Peppas, representative of the Wasman parlors continued his winning streak last night at 8 o'clock in a game staged in this city when he defeated Johnny Wagner, by the score of 75 to 51. An early lead which was secured by Wagner was overcome by the Wasman expert, before half of the game had been played.

In the hazard rotation tournament which has been on for the past six days, the mark of 79, the high score set by Peppas was beaten Thursday afternoon by J. H. Water who ran up a score of 86. This mark entitles Water to the prize which has been offered during the tourney.

## WALTON ALUMNI WIN

The Walton Alumni basketball quintet again drubbed the Walton high school five in a game staged last night in the Tipton township high school gymnasium, by the decided score of 54 to 27. The contest was an easy one for the Alumni five the victors being able to wade through the defense of their opponents almost at will. Despite the one-sided score, plenty of thrills were furnished for the fans and some very difficult shots were made by both quintets.

The Alumni squad will play its final game of the season next Saturday night with an independent five of Kokomo.

## FOR TWO YEARS HE HAD A BAD STOMACH

Kokomo Man Relates How the System Tonic, Drecto, Has Entirely Cured Him.

That the stomach is responsible for ninety per cent of all the diseases that human flesh is heir to, is generally conceded by the medical profession. When we realize that it is also indirectly responsible for liver, kidney and bladder trouble, we appreciate the importance of any agent that will correct its harmful influence.

Drecto is proving that it is truly a specific for all cases of stomach trouble. It exercises the greatest restorative effect on the liver and kidneys and rheumatism. That this is the logical effect of Drecto is attested by the testimonials of well-known people, who have regained their health by the use of this preparation.

For instance, Mr. John Rosey, a well-known machinist employed by the Haynes Auto Co. and lives at 709 South Lafountain St., Kokomo, Ind., says:

"For over two years I have been troubled with my stomach, liver and kidneys. I had no appetite and what food I ate did me no good, as it would ferment in my stomach and cause gas to form. I dreaded every meal, as I suffered agony afterwards. I was constipated, had dizzy spells, headaches, palpitation of the heart, and my liver was torpid and sluggish, and I had dreadful pains in my kidneys, and could hardly sit down at times. I had tried a number of medicines, but none of them helped me until I heard of your medicine, Drecto, and that was the medicine that did the work in my case. I have no more trouble with my stomach, and can eat anything I want without distress. I sleep well at night. My liver and kidneys are working well, and I am glad to state that Drecto has entirely cured me."

All good druggists use sell Drecto and it is highly recommended in Logansport by Homer Clossen—Adv.

## YANKS PLAN TO WIN AT ANTWERP

Athletes of United States Eager to Repeat Successes at Olympiad.

By JACK VEIOCK, International News Sporting Editor, NEW YORK.—Your Uncle Samuel, the greatest athlete in the world, has started active preparations for the seventh revival of the classic Olympic games to be held at Antwerp, Belgium, during the spring and summer.

The seventh revival of the games was originally scheduled for Berlin, but the gods of war or chance decided that Berlin was no place for the world's athletic classic and caused the Kaiser to stub his toe, whereupon Belgium drew the plum.

But to get back to the subject—Uncle Sam is the champion of champions. Americans hold practically every athletic record extant and in the recent inter-allied games in France Uncle Sam's boys cleaned up the boards once again just to remind our good allies of the fact that the United States is the big foster-father of all sports and that the Yank is an athlete, first, last and all the time. And at that the soldier boys who cleaned up the inter-allied games were not, in the strictest sense, the pick of the talent that may be found under the shadow of the Stars and Stripes, though many of them, of course, were trained athletes.

The American Olympic committee, which recently held an important meeting here, has set its machinery in motion at last and plans are being worked out by the various officials of National sport-controlling bodies for country-wide tryouts and the selection of America's very best athletes in every branch of Olympic sport.

The United States has been a competitor in the modern Olympic since their inception in 1896. To date there have been six Olympiads held and America has won all of them. In the six Olympiads the best athletes of the world have competed in a total of 145 events and out of this grand total America has captured ninety-two, almost twice as many as all other nations combined.

The former Olympiads, with the date, the number of events and the total events in each renewal of the games that have been won by the Americans follows:

Place	Year	Events	U. S.
Athens	1896	14	9
Paris	1900	23	11
St. Louis	1904	26	24
Athens	1906	23	11
London	1908	27	15
Stockholm	1912	32	15

There are a few world's marks at metric distances that are held by European athletes. These events are seldom competed in by Americans, however, and Uncle Sam should not fret about metric marks.

Among the world's records that are not held by the Yankees—and there are but few—are the two to ten-mile running records, hung up by Alfred Shrubbs, once great British distance star, more than fifteen years ago.

George Goulding, the veteran Canadian walker, and G. E. Lerner, English walker, hold several world pedestrian records. Pat O'Connor's broad jump mark of 24 feet 11 1/2 inches made in Dublin some twenty years ago, still stands, and the javelin record is held by Lemming, of Sweden.

Germany, by the way, holds one world's athletic mark. Just before the war Mickler, a German, broke the world's figure for 1,000 metres. It is said on good authority that shortly before the signing of the armistice the Germans broke a number of world's running records for one hundred yards to one hundred

## CARPENTIER, BRIDE, MANAGER AND CROWD THAT GREETED CHAMP

These photos, taken on Carpentier's arrival in New York, show the French champ in street clothes, his bride, and Francois Descamps, his manager with the alleged hypnotic eye. Insert shows how the huge crowd of fans flocked about the machine which took the champ and his bride from the pier to the hotel. Carpentier is climbing into the machine.

## DARIO RESTA, FAMOUS AUTO RACER, RETURNS TO THE UNITED STATES

Dario Resta and his wife, snapped on arrival in New York.

Dario Resta, celebrated auto racer, has returned from Europe, but not to race. He will manage the business of the Sunbeam car concern in this country. Mrs. Resta, a very pretty and charming woman, came with him.

## LAST NIGHT'S FIGHTS

KANSAS CITY, Kas., March 27.—Harvey Thorpe, Kansas City, knocked out Freddy Nelson, St. Louis, in the third round of a ten-round bout.

## AIRPLANE SERVICE TO CANADIAN MINES

WASHINGTON, March 26.—An airplane service is to be inaugurated by Seattle and Van Couver flyers for the purpose of carrying freight and ore between Stewart, B. C. and several mines in that territory, according to a consular report received today by the department of commerce from the American consul general at Van Couver.

## BILLIARD LEAGUE SCHEDULE FAVORED

Tuesday: Peru at S. & R.  
Wednesday: S. & R. at Kokomo.  
Thursday: Peru at Wagner & Surendorf.  
Friday: Kokomo at S. & R.

## TRAINING CAMP NEWS

HOUSTON, Tex., March 27.—By defeating the Red Sox, 10 to 0, the Giants evened up the series with the Boston team, each club now having won three games. A wild pitch by Waite Hoyt, the Red Sox twirler, was responsible for the Giant tally.

JACKSONVILLE, Fla., March 27.—The injury to Chick Fewster and the desertion of Fing Bodie has compelled Miller Huggins to rearrange the Yankee lineup. Fewster is expected to be out of the game at least three weeks.

HOT SPRINGS, Ark., March 27.—The Pirate regulars gave the Yankies a trimming yesterday, 16 to 3. Cooper and Hamilton, pitching for the youngsters, were batted hard.

MACON, Ga., March 27.—Hughie Jennings was in much better frame of mind today after seeing his Tigers lick the Boston Braves, 4 to 2 in yesterday's game. The joy was increased because of the excellent work of his veteran—George Dauss—and his big southpaw twirler, Allen, who only allowed Boston six hits in nine innings. The teams play here today.

PASADENA, Fla., March 27.—Training of the Cubs has been greatly interfered with by rain since their arrival here. Rain forced another cancellation of plans for a game with the Los Angeles team yesterday.

OKMULGEE, Okla., March 27.—Burke's youngsters got 19 hits yesterday and defeated the Omaha team, 14 to 2. Burwell, one of the Browns' recruits, pitched the full nine innings. He allowed Omaha but eight hits, of which Donica got four.

WACO, Tex., March 27.—Secretary Grabner of the White Sox is sitting down hard on exhibition of temperament shown by White Sox players. He announced that Chick Gandil, if he reports here eventually, will be offered less money than he was originally, and that if Swede Risberg acts upon his arrival he will be packed back to California.

BROWNSVILLE, Tex., March 27.—The Cardinals took yesterday's final game from the Athletics, 5 to 3. Eckert and Bigler for the Athletics, allowed Ricker's veterans' nine hits. Goodwin pitched in good form, allowing Mack's men but six scattered bingles.

BIRMINGHAM, Ala., March 27.—Gene Paulette has apparently landed the regular berth at the initial sack. He has played first base base regularly for the past two weeks and Luderus has not had a show even in practice.

MIAMI, Fla., March 27.—Clark Griffith unbuttoned his vest today to give his chest room. The Senators made it three in a row over the world's champions yesterday, even if Walter Johnson did come within an ace of banding the game to Pat Moran's Reds on a platter of bush league pitching.

NEW ORLEANS, La., March 27.—The Indian right handers won the annual contest from the southpaws yesterday by a score of 5 to 1.

MIAMI, Fla., March 27.—The Reds wind up their season here today following the game with the Senators. Tomorrow they play the New York Yankees at Jacksonville, then proceed northward by slow stages with the Washington team. The Senators won from the world's champions yesterday, 9 to 6. Walter Johnson only lasted two innings.

## SPORT SNAP SHOTS

There are two members of the Indian team who are hoping against hope that they will be able to be in Cleveland when the Grand American Handicap shot is staged there, that is they are hopeful that the dates of the G. A. will dovetail into the Indians' schedule of home games next August. They are Manager Speaker and Leslie Nunamaker. Next to baseball the Indians pick a sum better than anything else. Both are excellent shots, and figure that by shooting in the morning they would not interfere with their baseball duties and they could regale themselves at their favorite pastime as baseball is really a business with them.

CONCORDIA, Kan., March 26.—James Flynn, a farmer living near here, was awakened by a noise on his porch a few nights ago and found three wolves trying to enter his house through a window.

Armed only with a butcher knife, Flynn fought a desperate fifteen-minute battle with the would-be intruders before he could drive them away.

Finally the butcher knife found a vital spot in the body of one of the wolves, whereupon the others turned tail and fled.

Flynn suffered several severe lacerations. His nightshirt was reduced to ribbons by the teeth or hiss assailants.

FARMER VICTOR IN BATTLE WITH 3 HUNGRY WOLVES

JACK BRITTON STILL MASTER WELTERWEIGHT

CLEVELAND, O., March 27.—Jack Britton is still master of the welterweight class.

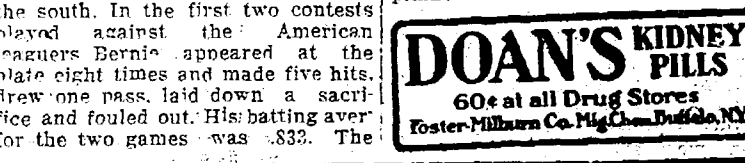

Britton had easy sailing against an ambitious opponent, Bryan Downey last night and succeeded in gaining the edge in eight of the ten rounds.

## It Isn't Work That Wears You Out!

Hard work never killed anybody. But hard work with irregular hours, neglect of rest, recreation and exercise does weaken the kidneys and keeps one tired, miserable and half sick. If your back aches—if you have headaches, dizziness and urinary disorders—don't wait! Get back to simple, sensible habits. Help the weakened kidneys before drowsy gravel or Bright's disease attacks you. Use Doan's Kidney Pills. They have helped thousands and are used the world over. Ask your neighbor.

LOGANSPORT EXPERIENCE.—L. A. Paterson, foreman, construction work Penn. Ry., 934 Sixteenth St., says: "I had kidney trouble for three or four years. At times my back would give out completely and I would have to lay off work. My kidneys acted irregularly and the sensations burned in passage. Finally I saw Doan's Kidney Pills advertised and I tried them. Three boxes of Doan's cured me and I have never since had a sign of kidney complaint."

## Who'll Be the First To "Fan" Babe Ruth?

Soon after the opening of the American league season on April 14, some one is going to feed the Wing of Swatters three dark ones. When do you think it is going to be?

Has the Big Babe got a weakness at the bat? A New York critic says he has. It is a fast one—straight down the middle, waist high.

Can you imagine some pitcher taking a chance like that when baseballs cost so much? Not on that baby.

The greatest slugger fanned 58 times last year—just twice the number of home runs he smashed over the fence for the world's record.

Will the hero slabbist, who retires Ruth on a trio of slants, be a veteran like Walter Johnson? Or will he be some string-bean rookie? You guess.

The Pharos-Tribune will give tickets to the first game played by the Logansport Ottos after Ruth strikes out to all fans who guess correctly. Only one guess per fan. Fill in the following coupon. Let's make it a fine Babe Ruth party at National park. Manager Stanton of the Ottos says he'll do all he can to make the party a dinger. Fill in the coupon and send it to the Sporting Editor, Pharos-Tribune.
