AUTOISTS TO WAGER

MAY RESULT IN SPECIAL RACE

Makers of Apperson and Ameri- can Cars Entered in Savannah Test to Bet \$1,000.

One of the latest bits of news about the
 Savannah race is the report of a wager of
 \$1,000 between one of the Apperson broth-
 ers and V. A. Longacre of the American
 Motor Car Company of Indianapolis.

Whether or not this will result in a special
 race between the Apperson and the
 American runabout, or whether it will
 simply be a contest within the general
 contest has not been decided. The chances
 for a specially hot meeting between the
 two cars are, however, very large.

Advices received from the secretary of
 the Savannah Club tell of finishing
 touches being put on the road by the con-
 vict gangs employed by the county as well
 as active work by all special committees.
 There is a continued large receipt of let-
 ters of inquiry. The hotels of Savannah
 are preparing for a large influx of vis-
 itors and general interest and enthusiasm
 is reported all around.

Letters have been received by the Sa-
 vannah Club from the Premier Motor Car
 Company of Indianapolis, stating that
 there will be two Premier cars in the race.
 This makes a total of eight entries for the
 360-mile race and two for the runabout
 event.

In addition to this there is every proba-
 bility that other entries will be of Lozier,
 Thomas "Flyer," Stearns, Stevens-Dur-
 yea, National Mora, Studebaker, Stod-
 dard-Dayton, Flat, Maxwell, Simplex,
 Matheson and Winton cars.
